Splendid Programme Arranged For Stirling Fair This Week-End

**Ted Curl And His Curlmen
Toronto TV Favourites —
Ruthe Amusement Shows**

With the annual Fall Fair sponsored by the Stirling Agricultural Society scheduled for Friday and Saturday of this week September 4th and 5th, the committee in charge of the various attractions in front of the grandstand has lined up a programme for appeal to all, and indications point to it being one of the best ever seen locally.

In preparing the programme, the committee has ever kept in view that the Fair is primarily for the agriculturists of the community and has endeavoured to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well.

It is the hope of the Society that the citizens of Stirling and community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the Fair, not only with their attendance, but by competing in as many events as possible.

Acknowledgment

The directors desire to thank the citizens of Stirling and Hastings County who, by their generous donations, have assisted them in arranging for this year's fair.

Copies of the prize list may be obtained from R. E. Shortt, Secretary.

Trials of Speed

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Saturday, September 5th. Horse racing enthusiasts will again be able to enjoy their favourite sport as trials of speed are included in the programme. Light horses will again be featured with many of the classes shown in front of the grandstand. This event proved very popular at last year's fair and a large exhibit of horses is expected.

There will be races for small ponies and a musical chairs competition open to ponies.

Good Exhibits

There will also be the usual good horse and cattle exhibits, as well as sheep and swine. In the main building will be found the ladies' work exhibit, chess exhibits, High and Public School exhibits and the Horticultural exhibits.

Junior Farmer Section

In the Junior Section of the Fair patrons will be privileged to view the Achievement Day exhibits of the Stirling 4-H Club, Hastings 4-H Silage Corn Club and the Trent-Moira 4-H Forestry Club. The farm machinery companies will also have their usual display of farm equipment on the grounds.

The customary Junior Farmer section will again be featured this year.

Platform Performance

The platform programme will feature Ted Curl, well-known Toronto TV personality, and His Curlmen.

Good Midway

Arrangements have been made with the Ruthe Amusements for a midway with rides and booths for both the children and the adult patrons of the Fair.

Refreshments booths will be in operation on the grounds, while a ladies' group will serve hot meals in the Fair dining hall.

Dance On Saturday Night

The Fair programme will conclude Saturday night with a dance. Music will be supplied by Ted Curl and His Curlmen.

Your Patronage Solicited

In presenting the programme the committee feels it should have the support of the community and given good weather, the attendance should be the best ever. All roads lead to Stirling Fair Grounds on Saturday, September 5th, and citizens of the surrounding district will be out in force to lend their support to the Agricultural Society.

Twin Cucumbers

Mr. John Lloy, of West Huntingdon, brought twin cucumbers to the News-Argus office on Friday of last week, which clearly show that local gardeners don't believe in growing things one at a time.

The double cucumbers are joined from stem to tip and resemble the claw of a lobster. It measures eight inches in length and twelve around the middle.

Labour Day At Post Office

Monday next, September 7th, Labour Day, will be observed at Stirling Post Office. The wickets will be closed for the entire day and there will be no rural mail delivery. The public lobby will be open as usual for the convenience of boxholders. Mail will be received and dispatched as usual.

Business Change

A real estate deal of interest was completed this week when Mrs. Eva Steacy disposed of her restaurant on Mill Street to Mr. Don Abrams, of Brighton. The new owner took possession on Tuesday. The deal was completed by Follwell Real Estate, Belleville.

My Pilgrimage To The United Nations

This is the third instalment written by John Svoboda, Jr., Mill St., on his recent trip to the United Nations. The pilgrimage was sponsored by District Odd-fellows and Rebekahs.

All of our time in New York was not spent in educational pursuits, by any means. Our program was interspersed with strolls down Fifth Avenue and Broadway, and two whole days were spent in enjoyment alone. Some of us had the opportunity to enter Tiffany's, Saks, Macy's and many of the other elite stores of America's "push" street. We all experienced a busy evening in Times Square, where the never ceasing stream of humanity swirls and mills beneath blazing neon lights.

Our second night in New York, we took a cruise around Manhattan, taking in the Statue of Liberty, Palisade Park, and the skyline from every imaginable angle. Another evening found us at the Rockefeller Centre, where we dined in the "Cafe Francaise" and attended Radio City Music Hall. Here, in the world's largest theatre, we saw a dazzling floor show on the world's largest stage, and "The Unsinkable Molly Brown" on the world's largest screen. I could never describe fully the marvelous sights we saw in Radio City, but one that will remain with me forever is the movable stage; before our eyes the orchestra rose out of its pit, floated, as if it were a boat, all over the stage, and sank down into the pit once more. Throughout the whole show, microphones were popping up wherever needed, and segments of the stage rose and sank to provide new scenery. An electric organ slid out of the wall during intermission, and just as smoothly glided back afterwards. The whole show was marvellous!

Another visit of interest was the one made to International House. Here, students from countries all over the world live and study while attending New York Universities. Our Oddfellow groups are the only ones permitted to chat with the students about their plans within the House itself. After hearing from some of the young people in conversation, we attended a panel discussion, in which young men and women from Hungary, Lebanon, the Philippines, Brazil, and Ghana formally compared customs and laws in their respective homes. The program in International House was made complete when the most advanced piano student performed for us.

Stirling Juveniles Edge Napanee

A short-handed Stirling team defeated Napanee 7-6 in the opening game of their O.A.S.A. Zone 4 finals on the latter's diamond on Monday. The return game is in Stirling on Saturday night and is set for 8:15 p.m.

The Stirling squad had a 7-2 lead going into the bottom of the ninth and almost blew it.

Howard Jeffs was on the mound for the locals and the south paw was nipped for nine hits, while fanning seven and walking one. Kimmit pitched for Napanee and Stirling got to him for eleven hits. He blew three strikes past ten and walked four.

Stirling opened the scoring in the first when Noble got on via an error. Kimmit fanned Smith, but Irvin beat out an infield hit. Faulkner hit into a force-out before Vandervoort singled to right field, scoring Irvin.

Napanee tied it in their half of the first when Switzer bunted safely and Woodcock singled to right. Switzer scored when Forbes flew out to Irvin.

Napanee went ahead 2-1 in the second when Wagar singled to left and Kimmit's bunt was over-thrown by Wagar going all the way to score and Kimmit on third. Jeffs struck out Pierson, McCutcheon and Switzer to stop further scoring.

Stirling jumped into a 4-2 lead in the fifth with one out. Smith singled to left. Irvin hoisted a fly to left before Faulkner doubled, scoring Smith. Vandervoort, walked; a wild pitch and Wrightman's double plated two more runs.

No more scoring developed until the ninth when, with one out, Faulkner got to second on an error. Vandervoort doubled to right scoring Faulkner; Wrightman sacrificed and Hagerman singled to center, scoring Vandervoort. Burkitt, pinch-hitting for Morrow, was hit by a pitch. A double steal and a passed ball accounted for another Stirling run.

Napanee came right back with Wagar's single. Wood, pinch-hitting for Kimmit, got on on Wrightman's error. Pike, pinch-hitting for Pierson, sacrificed in a run. Jeffs got Brant before Switzer and Woodcock singled. Van Alstyne got on on an infield miscue. Forbes doubled home two more runs to make it 7-6 with runners on second and third before Jeffs got Hartwick on a ground ball to end the game.

Stirling was minus Potts, Donohoe and Thomson for the game and Irvin played with a temperature of 103.

Stirling Line-up—Noble, ss; Smith, cf; Irvin, 1b; Faulkner, cf; Vandervoort, 3b; Wrightman, 2b; Hagerman, lf; Morrow, rf; Jeffs, p; Burkitt, p, hit for Morrow.

Picks Raspberries

Mrs. Helen Preston, Harold R.R. 2, picked some luscious raspberries in her garden on Wednesday. The berries were large in size and very tasty.

To Take Hairdressing Course

Mias Beverley Christie left on Sunday for Toronto to enroll at Bruno's School of Hair Design. Beverley is the daughter of Mr. and Mrs. Alva Christie, Elizabeth Street.

Received Certificate In Industrial Arts

Lytle Couch, teacher at Wellman's Corners, S.S. No. 8, Rawdon, has received word that he was successful in Part 1 of the Course prescribed for Elementary Industrial Arts. Mr. Couch took the course this summer at Richview Collegiate, Toronto.

Mrs. Irene Roberts Loses Mother

Stirling and district friends extend sympathy to Mrs. Irene Roberts, Front St., W., in the loss of her mother, the late Mrs. Samuel Hazelwood, (Nora Cole), Brighton Township, in the Campbellford Memorial Hospital on Saturday, August 29th. She was in her 80th year.

The funeral took place Monday afternoon from the Warkworth Funeral Home to Codrington United Church for service. Interment was in McFall Cemetery, near Codrington.

Cheese Stolen From Shamrock Cheese Factory

Thieves broke into the Shamrock Cheese factory on the Frankford Highway Monday night and escaped with nearly 900 pounds of cheese.

The theft was discovered by Ross Laine, cheesemaker, when he opened the factory at 5:30 a.m. Tuesday morning.

Mr. Laine said cheese valued at \$400 was missing in 12 43-pound and 30 10-pound squares. It is believed the thieves probably used a truck to haul away the goods.

Entry was made after breaking a rear door then smashing a lock on the curing room door. An unsuccessful attempt was made to pry open a soft drink cooler.

Police Chief Chas. E. Hicks is investigating.

Fire Department Outlines Plans For Fire Prevention Week To Council

Council To Ask For Examiner Of Motor Vehicle Permits To Come To Stirling

The regular monthly meeting of Stirling Village Council was held on Monday night with Reeve Bert Jones in the chair. He was supported by Councillors Jas. Chambers, Bruce Glendinning and Robt. Hulin.

Mr. J. B. Belshaw addressed Council on behalf of the local Horticultural Society. He stated that several of the pine and spruce trees in Cornation Park were dying; also that the large elm tree at the Cenotaph had fallen prey to the Dutch Elm disease.

Mr. Belshaw also pointed out to Council the need for an examiner for motor vehicle permits. He said that it was very unhandy having to drive to nearby towns to receive an examination. If an examiner were available locally once or twice a month it would be a simple matter for elderly folk and High School students to take their examination.

In the matter of the dead trees at Cornation Park, Reeve Jones remarked that several trees had been dying for some time and that they could be removed by the Village employees. The large elm tree in the Cenotaph was left in abeyance for further consideration.

For Examiner

Council concurred with Mr. Belshaw's suggestion of a motor vehicle permit examiner for the Village and district and on motion of Councillors R. Hulin and B. Glendinning, Clerk W. L. Pollock was instructed to write W. E. Sandercock, M.P.P. for Hastings West, asking for his assistance in this matter.

Delegation From Fire Brigade

Firemen Doug. Robson, Robt. Green, and Ron Woodbeck were a delegation from the Volunteer Fire Department. D. Robson was the spokesman for the group. He stated that the Stirling Brigade would be attending the District Field Day in Marmora on September 20th. This is the first time Stirling has competed in this event and the Brigade is holding weekly workouts, stated Mr. Robson.

To Attend Course

Mr. Robson also told Council that he and Ron Woodbeck were planning to attend a one week's course on fire fighting at the Training School at Gravenhurst the week of September 21st. He asked for Council's consideration for loss of wages for that week. On motion of Councillors Glendinning and Hulin, Council will reimburse each man \$55.00 for the week.

The week of October 4th to 10th has been designated as Fire Prevention Week in Ontario. It was announced that the local Brigade was planning to take an active part this year. On Monday, October 5th, an inspection of local business and residential properties is planned. This will be on a voluntary basis and the inspectors will be from fire insurance companies. All citizens are urged to take advantage of this inspection and may have their buildings included on the list by phoning Fire Chief Graham Mouck or any member of the Brigade.

The local Brigade is also planning to have a display of small fire fighting equipment at the Community Hall on Monday evening, October 5th. The public will be invited to attend. Representatives of the Fire Marshall's Office and Mutual Aid Association will be present and will show films and answer any questions.

George Lyons interviewed Council in regards to property assessment. On motion of Councillors Hulin and Chambers, the Clerk was authorized to prepare a by-law re speed limit changes on Village Highways for the next meeting of Council.

On motion of Hulin and Glendinning, the monthly police report was approved.

Communications were received from E. E. Follwell re deed of property of late Mrs. W. Barker; Dept. of Highway, re Mill St. agreement; Designated Refrigeration Systems, re artificial ice plant; Dept. of Highways, re speed limits and Police Chief Chas. E. Hicks, re broken sign post.

Bloomfield Wins Finals Opener

Bloomfield played host to Stirling Intermediates in Pictou last night (Wednesday) and defeated the locals 3-1.

Van Huesen was on the mound for Bloomfield and Stirling got to him for eight hits but failed to hit in the clutches. "Bobby" Hunter hurled a four-bitter and walked two for Stirling. Ostrander hit a home-run to account for one run. The two walks, a sacrifice fly and a bad throw scored two more enemy runs. The return game is likely to be back here on Monday.

Celebrate 40th Anniversary

The banquet room of the I.O.O.F. Hall, Stirling, was the scene for a happy occasion on Sunday, August 30th when Mr. and Mrs. W. L. Pollock were guests of honour at a dinner celebrating their 40th wedding anniversary. The head table was centred by a large card in pink and white, made and decorated by the bride's sister, Mrs. Angus Mumby. The cake was flanked by arrangements of ruby and white gladioli.

The bride of 40 years was presented with a corsage of ruby gladioli by the youngest grandchild, Kevin Pollock, and the groom was presented with a boutonniere by the eldest grandchild, Irene Pollock. After a delicious turkey dinner, prepared and served by the Past Noble Grand of the Club, a toast was proposed to Lindsay and Irene by Dave Hollinger, to which both ably replied.

A gift from the family was presented by the grandsons, along with several other lovely gifts from the other guests.

Present for the celebration were the couples' five children: Ted, of Ivanhoe, Doris (Mrs. Allan Pigeon), Madoc, Don, of Campbellford, Jim, on the home farm at Wellman's Corners, and Pat Merrill, Stirling, and their families. Also present were the brothers and sisters of the honoured guests, two aunts of Mrs. Pollock, and a few close friends. Several other friends and relatives called at the house during the afternoon and evening.

The following accounts were passed for payment:

LABOUR DAY — SEPTEMBER 7TH

The long Labour Day week end is traditionally the last
week end of the summer.

Unfortunately, for many Canadians this week end is the
last week end of their life.

Many Canadians have died on those Labour Day week
ends. This year, experts predict the death toll will continue
to rise.

It's about time to call a halt to this useless waste of
human lives. Most fatal accidents happen sheerly through
someone's carelessness. They could be avoided if someone
had simply used a little common sense.

You've heard all the warnings: drive carefully, don't
overload your boat, don't swim right after eating, and so on.
They can all be condensed into one brief slogan: Use your
head.

Make your Labour Day week end a happy, safe holi-
day!

IMPACT OF TOURIST BUSINESS

As we near the conclusion of the tourist season, we can't
help but comment on its impact, especially on this immediate
area. A summer visitor to our office a week ago asked: "Is
your little village always as busy as this?" We had to admit
that the constant passing traffic and the busy streets were part-
ly responsible to people such as he. But it was an optimistic
admission as we can foresee the gradual increase in summer
business.

Most merchants will agree that this has been a most suc-
cessful summer; the strangers in stores and in the shopping
area have been numerous. It is up to us to see that it continues
as the years go by.

We are in an advantageous location — on two main
highways, between 401 and No. 7, and traffic should continue
via these routes even when the 401 highway is completed, be-
cause of the mileage saving to Ottawa and environs by taking
the No. 7 route.

Next year, Stirling merchants might be asked to con-
tribute toward promoting the tourist industry in our area.
They should make whatever contribution is requested, with
complete compliance, for our tourist business has become one
of the most important in our community. Take a look at
neighbouring villages and compare them with ours, if you want
proof.

SUBSCRIBERS AND ADVERTISERS MUST BE PLEASED

(This is the second in a series of editorials explaining
how a weekly newspaper functions.)

A newspaper has two customers to please — the sub-
scriber and the advertiser. Of these two, the subscriber is the
most important.

This is true even though the advertiser provides most of
the revenue of any paper. But the advertiser buys space for
one reason to get his message read by a large number of
people. Therefore, he is vitally interested in the circulation of
his advertising media. The greater the circulation a paper has,
the more advertising it can sell and the higher the rate it can
command.

Over the years, therefore, the paper must cover the ac-
tivities which interest its readers. Otherwise circulation will
drop off and advertising revenues will shrink in consequence.

It is because of reader interest that such a large propor-
tion of weekly newspaper space is devoted to District and per-
sonal news. Often this may seem of the "Mrs. Smith went
down the road to visit Mrs. Brown" variety, but the little item
has definite reader appeal to the Smith and Brown families,
relatives and all their friends. In the News Argus, we have
had many examples of the great interest taken in personal and
District news.

Reader interest builds circulation and upon that circula-
tion a newspaper's revenue depends. Therefore, to the pub-
lisher of any paper the subscriber is the most important person.

LABEL ALL DRUGS

Is every bottle, jar or container in your medicine cabin-
et correctly labelled? A few pills or some liquid medicine
may be popped into a handy container, without the name of
the drug being written on a label. If the medicine is adminis-
tered in error to a child or anyone other than the intended
patient, it could have serious results. A label or adhesive
tape with identification written in ink would help to prevent
dangerous mistakes.

Three-fourths of the earth's surface is water and one-
fourth land. It's clear the Good Lord intended man should
spend three times as much time fishing as he does mowing the
lawn.

Worried Customer: "Do you have another razor?"

Barber: "Yes. Why?"

Customer: "I'd just like to defend myself."

Do You Remember?

Mr. Thos. Montgomery, Sr., passed
away at the home of his daughter and
son-in-law, Mr. and Mrs. R. A. Patter-
son, Front St. W., early Monday
morning. He was a former Warden
of Hastings County.

Friends of Charles Hoard, Rawdon
Township farmer are sorry to learn

pital, suffering from blood-poisoning
in his hand.

At a meeting of the local Hydro-
Electric Commission on Monday even-
ing, Miss Rosa Spry was appointed to
the position of stenographer.

Stirling Community Hall was the
scene of riotous colour and beauty on
Thursday last on the occasion of the
fifth annual Flower Show, held under
the auspices of the Stirling Horticultu-
ral Society. The exhibitors were
numerous and the specimens of the
different varieties were of exception-
ally high quality.

Local and Personal

Miss Emma Allen, of Whitby, spent
a few days this week at the home of
Mr. and Mrs. J. S. Whitehead.

Rev. and Mrs. W. H. V. Walker and
family returned home on Wednesday
from their vacation spent in Port
Hope and Toronto.

Mr. David Duffin returned home on
Sunday after spending a month visit-
ing relatives at Toronto, Niagara
and Lake Simcoe.

Rev. and Mrs. W. J. Scott have re-
turned home after spending the past
two weeks camping at Stoney Lake
Mount Pleasant.

Messrs. Ewart Lake, Ormel Mac-
Mullen and Lorne White enjoyed a
motor trip to Brampton, Caledon
Hills and Brantford last week.

Mr. and Mrs. Kenneth Weaver
spent the week end with Mr. and Mrs.
J. Richardson, Toronto.

The second McMullen-MacMullen
reunion picnic was held at Crescent
Beach, Oak Lake, on Wednesday with
an attendance of 60.

Recover Anchor From Wreck Of Old Schooner

Members of four scuba clubs have
been diving down to the wreck of a
65-foot schooner, about 200 yards off
Cordale Beach. This week they
brought up a 500-pound anchor which
is inscribed "A. 4-3-10-163, 15536".
They also found a stove bearing the
date 1852. It is planned to place the
articles in the museum at Presqu'ile
Park.—Picton Gazette.

A Reminder To Motorists

Five p.m., Friday, September 4th,
is the starting of the Labour Day
week end. You and your neighbours
and all who use the streets and high-
ways will contribute to the heavy
traffic during this period. At the
end of the Labour Day, wouldn't it
be nice if everyone got home safely
again. Unfortunately, many people
will not get home safely, and some
will never come home again.

Each year, the Labour Day week
end is the peak travel period of the
year. More people attempt to go fur-
ther on this final holiday week end
of the summer season, and more visitors
from the United States and other
provinces are using Ontario road
ways.

Getting safely to a destination and
back home in the midst of this enor-
mous highway activity is in large
measure the result of using your very
best driving behaviour. Drive as
though your life depended on it (be-
cause it does), obey the signs and
laws — they are not meant to incon-
venience you, they are there to keep
you alive and in one piece.

Start the week end with a mechan-
ically sound vehicle, and if you are
planning a trip over 100 miles, take
rest stops to stretch your legs and re-
fresh your mind.

Police forces throughout the Pro-
vince will be on duty at maximum
strength in an effort to persuade the
other fellow to drive sensibly this
week end. Yes, it would be nice if
everybody got home safely this week
end.

Labour Day week end of 1963, there
were 1,044 accidents of which 28
were fatal and in which 35 people
were killed, 333 involved personal in-
juries and 633 were accidents in
which property damage occurred.

(Continued from Page One)

Other places our group found inter-
esting were the Metropolitan Art
Museum, Central Park, and Riverside
Cathedral, which has revolving doors
and souvenir shops, and many other
characteristics of the department
stores just down the street. We
really enjoyed our rides on the sub-
way, and most of us were amazed at
the three different levels of whizzing
trains which screech and groan at
perpetual stops and starts. Our tour
wouldn't have been complete without
visits to Pen Station and Grant's
Tomb, and even until the last day,
our greatest thrill was just walking
down the street.

For most of us, the most memor-
able day was the one we spent at the
New York World's Fair. Everyone
was given complete liberty to see the
sights in his own time and way. I
was very anxious to see the great
American pavilions we read so much
about, and I wasn't disappointed in
the least by the IBM and General El-
ectric exhibits. These two compan-
ies presented free matinees to fair-
goers, who sat in revolving and slid-
ing theatres. I visited the Kodak
Pavilion, with its huge tower of pic-
tures, the Ford and Chrysler Pavil-
ions, with their journeys into past
and future, the Vatican Pavilion,
where the "Pieta" was on display, the
Bell Telephone Pavilion, with its
story of communications, and many
many more I can hardly remember.
In addition to seeing these American
displays, I went through pavilions of
many foreign countries, including
China, Greece, France, Belgium, Mex-
ico, Germany, India, Denmark, Thai-

land, and again, many more. Each
country had attractive displays of
crafts to offer as souvenirs, and many
presented programs of national tal-
ent as well.

One feature of the Fair that impres-
sed me most was the beautiful lay-
out of its avenues and streets. At
every turn are magnificent playing
fountains, which shoot thousands of
gallons in grotesque or lovely shapes.
The green grass and rows of trees
are a welcome sight after the dirty
New York streets, and the many
sculptures and gardens are very im-
pressive.

My meals at the Fair were enjoyed
in the restaurants of foreign coun-
tries. Almost every nation there of-
fered some distinctive type of food,
and for the gourmet, I suppose this
was second heaven.

Everyone can find something at the
Fair to interest him, and it would
take forever to tell about the hun-
dreds of sights we saw in our short
day there. When we boarded the bus
late that night, after seeing the mag-
nificent fireworks display over the
coloured fountains and the Spanish
Flamenco Dancers in the "Fair's most
beautiful pavilion" everyone had
something different to tell about his
adventures.

Our last night in the city saw us
strolling again up Broadway to
Times Square, this time, bidding the
towering buildings, the blazing lights,
and the milling crowds a last, sad
farewell. The next morning, as we
pulled out from the hotel and began
the long journey home, each one of
us left a portion of his heart some-
where in the great metropolis we had
called "home" for six exciting days.

Runions--Kerr Wedding

On Saturday, August 15th, at the Zion United Church, Petherick's Corners, Beatrice Donald, daughter of Mr. and Mrs. Donald D. Kerr, and Brian William Runions, son of Mr. and Mrs. Douglas Robertson, of Campbellford, were united in marriage. Rev. Gordon Whitehouse officiated. The wedding music was played by Mrs. Ralph Erskine, while the soloist was Harold Lunn, uncle of the groom.

The bride, given in marriage by her father, wore a white bridal gown of organza over taffeta and net, with a scoop neckline and V-neck lace-trimmed bodice. The skirt was sheath styled with a full panel, attached from the back shoulders, flowing to the back hem. She wore a bouffant veil with a tiara of seed pearls and rhinestones and carried a cascade of red roses attached to a white satin horseshoe, a gift from the groom's aunt and uncle in Australia. The bride wore a single strand of pearls, the gift of the groom.

The matron of honour, Mrs. Beverly Fletcher, of Hamilton, wore blue peau de soie, and the bridesmaids, Rowena Kerr, sister of the bride, and Ann Robertson, sister of the groom, were dressed alike in pink chiffon over taffeta, with matching head pieces and they carried bouquets of pink and blue 'mums.

The groom was attended by Norman Petherick, while the ushers were Duane Kerr and Peter Runions.

The reception was held in the Legion Hall, Campbellford, where the bride's mother received the guests, wearing a blue lace over taffeta dress, pink accessories and a corsage of pink 'mums. The groom's mother assisted, wearing a blue silk shantung dress, white accessories and a corsage of pink 'mums.

For a wedding trip to Niagara Falls and the United States, the bride chose a gold linen sheath with matching jacket, beige accessories and a corsage of bronze cymbidium orchids.

On their return they will take up residence in Campbellford.

Out-of-town guests were from Buffalo, Oshawa, Brampton, Plainfield, Stirling, Hamilton, Norwood, Hawke, Belleville and Keene.

New Books At The Stirling Library

With holidays all but gone and schools about to open for a new term, we expect the usual rush of readers back to the library.

For them, we have some very good reading material.

There are three new Dr. Seuss books, "The King's Stilts", "Yertle the Turtle" and "Happy Birthday To You". "The Story of a Pious Bad Rabbit", "The Tale of Pigling Bland" and "Apple Dapple's Nursery Rhymes", are titles of three Beatrix Potter books, of which we have twelve other new ones. "Berlitz French for Children", "Old Rosie, The Horse Nobody Understood", "Tilly the Traction Engine", "Peter, the Wanderer" and other new books for preschool, grades one and two, are now ready for our small readers.

The "Black Stallion" fans will now find six new books of this "horse" series waiting for them at the library. As well as these, there is an Arthur Clarke novel, "Dolphin Island", a good historical novel, "Mutiny on Hudson's Bay", "Candle Tales", "The Big Wave", by Pearl Buck and three good non-fiction books, "Native Tribes of Canada", "The Erie Canal" and "The Story Of Mathematics".

Some new non-fiction books for adults are now available, most of them excellent. "The Collected Poems of E. J. Pratt", Thornton W. Burgess' autobiography, "Now I Remember", "The New Science of Skin and Scuba Diving", "Life Insurance — Benefit or Fraud", "When A Child Is Different", and a book by Chief Justice James C. McRuer, bringing to bear a trained legal mind in "The Trial of Jesus". The forward in this book is by Cardinal Jas. McGuigan, and is endorsed by the heads of the principal faiths

in Canada. "Understanding Shakespeare", by the Cambridge Press was purchased in the belief it would be useful to the secondary school students.

Almost all of the new adult fiction books are unusually entertaining: "Accident", "Convention", "Along That Coast", "The Stoe Angel", "Wind From The Carolinas", by Robert Wilder, "A Savage Place" by Frank Slaughter, "The Night in Lisbon", by Erich Maria Remarque, "The Token", by Sheila Berger, a paperback reprint of "Quo Vadis", and a truly fine novel about the Mormons, "For Time And All Eternity".

There are a few books that are grossly overdue and their return would be greatly appreciated. The small fines received for overdue books are in no way as important to the orderly library as the simple return of the book.

Janet Munroe Home Economist

Miss Janet Munroe has recently replaced Miss Elizabeth Spouse as Home Economist serving in the counties of Hastings and Lennox and Addington. A native of Stellarton, Nova Scotia, Miss Munroe attended the Stellarton High School, St. Francis Xavier University and Mount St. Bernard College, where she received her

degree in Bachelor of Science in Home Economics, majoring in Foods and Nutrition. While attending University, Miss Munroe was a member of the Student's Council, and President of the Senior Class.

During the summer vacations, Miss Munroe worked as a Student Dietitian at the Nova Scotia Hospital at Dartmouth, and as a Social Worker with the Children's Aid Society. Coming to Ontario in June, she began work in the Counties of Hastings and Lennox and Addington on July 13th, with an Office at the Department of Agriculture Building in Stirling.

Rosicrucian Books Received At Library

Additional volumes on the subject of Rosicrucian philosophy have been presented to the local public library. Mr. R. D. Mansell, local Rosicrucian member, has been informed by the Grand Secretary of the Rosicrucian Order, with its international in San Jose, California, that the Order has been pleased to donate further copies to the Stirling Library because of the demand for the works on this subject.

Mr. Mansell stated that since the Rosicrucian Order, AMORC, is not a religious organization, all of its publications are treatises on philosophy, metaphysics, the sciences, and the arts. The object of the organization

is to give the student members an understanding of the fundamental laws of life to permit them to realize a fuller and more abundant existence.

"The selection of titles for the periodic public meetings," Mr. Mansell emphasized, "is determined by the public's interest in the organization's

publications and monthly periodical, the Rosicrucian Digest". In addition to holding membership and public meetings in such cities, extensive advertising is conducted by the Grand Lodge in the local press. Contributions of local members of the organization make possible the donation of books to public libraries.

Two Car Collision

O.P.P. investigated an accident on Wednesday morning at 7.00 a.m. on the Township Line four miles east of Stirling.

A 1956 model car operated by Fred White, R.R. 2, Halloway, collided in a head-on collision on top of a hill with a half-ton truck driven by J. D. Reid, also of Halloway. Two passengers in the Reid vehicle, Henry Aide and Jack Hannah, also of Halloway, sustained minor lacerations and bruises.

Reid and his two passengers are employees of Elaine Footwear where they were headed at the time of the accident.

Wellman's

Mr. and Mrs. Russell Teal and Terry, of Colbourne, were Thursday evening visitors of Mr. and Mrs. Burton Morton. Terry remained for a holiday with his aunt and uncle.

Dr. and Mrs. W. R. Hendry, of Toronto, were Wednesday guests of Mr. and Mrs. Burton Morton.

Entered Into Rest

ROBERT BENJAMIN COONEY

Ill for the past eight months, Robert Benjamin Cooney died in Montreal on Tuesday, September 1st, 1964. He was in his 59th year.

Born in Rawdon Township, he was a son of the late Benjamin Cooney and Margaret Shambo. He has resided in Montreal for the past 29 years, where he was employed by the Frost Steel and Wire Co. He was a member of the United Church.

Surviving are two sisters and a brother, Mrs. Simon (Sarah) Robb, Miss Margaret Cooney and John Cooney, all of the Spring Brook area.

The committal service will take place at Mt. Nebo Cemetery, Spring Brook, on Friday afternoon, at 4.30 p.m. Mr. G. Apps will officiate.

Berhel U.C.W.

Mrs. H. Lyons was hostess to the Berhel U.C.W. on Thursday, August 20th, with twenty-one members and visitors in attendance.

The president, Mrs. D. Heath opened the meeting with a poem, theme hymn and prayer.

A short period was spent on the business part of the meeting. Then the secretary read the minutes and correspondence. The announcements of two important gatherings were mentioned. First is the Bible Study Course at Lakeland Park, Picton, on September 16th and 17th. The second was the regional rally to be held in Stirling on October 15th. The members were urged to attend these meetings.

Roll call was well responded to by each member mentioning some interesting church she had attended.

Articles for the special bazaar were handed in and an offering was taken to buy soap and blankets for the Fred Victor Mission.

Mrs. M. Cooney had charge of the worship service and programme. She based her topic on the Scripture Matthew 5: 1-12, showing happiness through mercy. She was assisted by Mrs. Kellar who read the lesson and Mrs. Lyons, who led in prayer.

Mrs. Sine gave two interesting readings entitled, "Simple Joys" and "Who Invented Marriage", from the Readers' Digest.

Mrs. S. Hoover was called upon to introduce the new Bible Study Book, "God and His Purpose". As she has been hearing numerous controversial things about the new curriculum, she was able to make clear to the group in a very comprehensive way the ideas set down in this study. She challenged each to purchase the book and study guide and to come prepared to help with the programmes and discussions so that it will be a year of learning and helpfulness.

Two contests were enjoyed. Mrs. H. Lyons and Mrs. M. Cooney served a delicious lunch and a social time was enjoyed.

4-H Club Activities

The August meeting of the Stirling 4-H Calf Club was held at the farm of Mr. H. Dettlor on August 25th. Members had to judge a class of heifers and some of the members had to give reasons for their placings. A demonstration was then given on how to fit a calf for showing at the Stirling Fair. Lunch was enjoyed by all the members after the meeting.

Presentation Party For Mr. and Mrs. Wilmot Scott

On Saturday evening, August 29th, a large number of neighbours, friends and relatives gathered in Mount Pleasant Rawdon Church Hall and tendered the newlyweds, Mr. and Mrs. Wilmot Scott (nee Nancy Yull), a presentation party.

Rev. W. G. Fletcher was master of ceremonies and spoke briefly. He led the sing song of old favourites with Mrs. Kenneth Weaver as pianist.

A humorous silent drama was presented with Mrs. Percy MacMullen introducing the skit. She was assisted by Mrs. Raymond McConnell, who arranged the cast of thirteen ladies. Each had a special part to perform and the group was composed of: Mrs. Marguerite McMullen, Mrs. Stanley Williams, Mrs. Carleton Potts, Mrs. William McAdam, Mrs. Frank Spencer, Mrs. David Potts, Mrs. Grant Hubble, Mrs. Mac Sharp, Mrs. Ross Jeffs and Misses Sally McAdam, Brenda Williams, Janet Scott and Judy McAdam.

The balance of the programme consisted of accordion music, by Kenneth Couch; a piano duet, by Brenda Campbell and Lorraine Jeffs; a piano solo, by Brenda Williams and a novelty number, by Mrs. Will McAdam.

The newlyweds were given seats of honour and David Potts read an appropriate address, while Kenneth McConnell made the presentation of a room divider from the community, and a church plate from the U.C.W.

Wilmot and Nancy opened their miscellaneous gifts, after which thanks was expressed to all who had contributed to the success of the evening.

Those in charge served refreshments and at the close of the social hour, the group voiced personal best wishes for future happiness.

THE FOOD BASKET

WHEN YOU BUY BY GRADE — YOU BUY BY QUALITY

Inspectors of the Federal and Provincial Departments of Agriculture work hard to ensure that quality food reaches your table. For better food management, you as homemakers owe it to your families to know the grades of Canadian products and what they mean.

Grades have been established in Canada for the following foods:

Beef, poultry, eggs, cheddar cheese, skim milk powder, fresh and processed fruits and vegetables, honey, maple syrup.

Look for the grade names next time you're shopping.

Canada's graded foods are graded and marked according to definite quality standards. In many cases there is more than one grade to choose from. Your family needs, your budget and how you plan to use the product will certainly influence the grade you buy.

The word "Canada" in a grade name means that the product has been graded according to federal standards established by the Canada Department of Agriculture.

The next time you go shopping take a look at how fresh fruits and vegetables are graded.

Most fresh fruits and vegetables, when shipped to another province, are subject to Canada Department of Agriculture grading, packaging, marketing and inspection regulations.

Those grown in commercial volume and sold within your province are subject to provincial regulations. These regulations are usually the same as federal regulations.

The Grade must be marked on all closed packages of fruits and vegetables and open packages of apples, celery, cantaloupes, and tomatoes.

Packages or containers used for fresh fruits and vegetables must meet standardized dimensions.

Potatoes, carrots, and onions are vegetables which you will most often see labelled with the grade name. There are two grades for vegetables, Canada No. 1 and Canada No. 2.

Fruits most commonly sold by grade are apples, apricots, cherries, grapes, peaches, pears, and plums.

All of Canada's early newspapers were named The Gazette, as were papers elsewhere, because the price of one of the world's first newspapers published in Venice, was a small coin called a gazet.

Madoc Junction

Mr. and Mrs. Clarence Fitchett attended the fair at Centerville on Saturday.

Mr. and Mrs. Carl Bridges entertained several relatives from Oshawa on Sunday.

YOUTH ALLOWANCES**IMPORTANT NOTICE FOR PARENTS**

At the end of September the first payments will be made under the Youth Allowances Act recently passed by Parliament. If you have a child who is 16 or 17 years of age, is maintained by you, and is either in full-time attendance at school or university, or is unable to attend by reason of physical or mental infirmity, you may be eligible for a monthly allowance of \$10.

THIS ALLOWANCE MUST BE APPLIED FOR — IT WILL NOT BE SENT AUTOMATICALLY

During August application forms were sent to the parents of children already 16 or 17, or who would be 16 before September. If you have a child who meets the above requirements, and for any reason an application has not reached you, you can obtain one by writing to the Regional Director of Family Allowances in your provincial capital.

The applications should be returned as soon as possible, in order to ensure prompt receipt of the first payment.

DEPARTMENT OF NATIONAL HEALTH AND WELFARE

TAILGATERS TRESPASS on the protective space behind other cars by following too closely.

They caused over 7,000 accidents in Ontario last year because they didn't leave a safe stopping distance between cars.

Safe stopping distance is at least one car length between your car and the one ahead for every 10 miles of speed. At 60 miles an hour you should be six car lengths behind the car in front of you:

If a tailgater is following you too closely, here's a tip from the Ontario Safety League. Slow down a bit to leave more space between your car and the one ahead. With extra stopping room in front, you're not so likely to have to come to a quick stop... and not so likely to be rear-ended by the tailgater.

238 Contestants At Belleville Judging Competition

Two hundred and thirty-eight 4-H members from Northumberland, Prince Edward, Hastings and Lennox and Addington Counties attended the judging competition at Belleville Fair on Wednesday, August 19th. Members began registering in the Junior Building at 9:00 a.m. Following registration they were divided into five groups with a leader in charge of each and moved outside to judge five classes of livestock. These classes were: Mature Jersey cows in milk; Shorthorn yearling heifers, Yorkshire gilts, Suffolk ewes and a class of hog carcasses. This year members were able to make use of the grandstand in the fine weather to give their reasons to the judges on all classes of livestock, except sheep. At noon contestants were supplied with a bag lunch, milk, pie and ice cream.

In the afternoon, activity centered around the Junior Building as members, once again, moved in their respective groups to judge a class of oats, hay, potatoes and apples and to do an identification test and farm quiz. Following this, members were given the correct placing on all judging classes by the Official Judges.

Winner of the Northern Electric Award for High Boy in the Competition was Allan Thompson, Moira, R.R. 1, with a score of 801 points out of a possible 850. Sue Hart, Campbellford, R.R. 2, was the Northern Electric Award high girl winner with 737 points. Robert Hamilton, Trenton, R.R. 5, received the Bank of Montreal silver tray as the high contestant in the Livestock section, with a score of 483 points out of 450. The presentation of these awards took place at the grandstand on the evening's program.

Congratulations to all 4-H members who participated and especially to the winners in the different divisions.

The competition was under the

direction of Agricultural Representative W. D. Tipper and Assistant Agricultural Representative, Lyall MacLachlan, of the Stirling Office of the Ontario Department of Agriculture.

Rawdon U.C.W. Entertain Messengers

On Friday evening, August 28th, approximately fifty-five people gathered in Mount Pleasant Rawdon Church Hall, which was decorated with bouquets of summer blooms. The United Church Women sponsored their annual party for the Messenger Members.

Mrs. Donald Knight welcomed the children and their leaders and spoke briefly re the business.

Mrs. Burton Sharpe conducted the Devotional, with Miss Judy McAdam as pianist. The offering was gathered by Randy Scott and Kenneth Sharp.

The Messengers gave a short programme which consisted of piano music by Jill McAdam, Lorraine Jeffs, Jeannette Hoard, Carolyn Merrick and Janet Scott. A selection was read by Frank Hubble.

The guest speaker was Miss Ida Honey, who is now at The Hospital for Sick Children, in Toronto. Previous to this, she spent a year in California, then a year at Colorado Bible College, and then fourteen months with missionaries in Beirut, Lebanon.

Miss Honey gave a special message to the young people and then showed slides of Lebanon with Mrs. Mac Sharp in charge of the projector.

The views were very beautiful and clear with scenes of churches, landscape, markets, flowers, important buildings, and a large variety of pictures depicting life in that country. There were also views of a conference of young people who had met for special Bible study.

Carolyn Merrick voiced thanks to Miss Honey and Joan Jeffs made the presentation of a gift for which she

expressed appreciative thanks.

The leaders of The Messengers, Mrs. Raymond McConnell and her assistants, Mrs. Clarence Scott and Mrs. Frank Spencer, conducted a fish pond and the children enjoyed their small treasures which they had received as miniature fish.

The committee in charge served ice cream and cookies and a social half hour was enjoyed.

On behalf of The Messengers, Bonnie Williams voiced thanks to the U.C.W. for the party.

All-Stars Defeat Plainfield

The Stirling District Y.P. All-Stars defeated the favourite Plainfield squad 24-21 in a nine-inning encounter here Friday last.

The All-Stars appeared to resent the critics who said it couldn't be done and shoved across 8 runs in the first inning. They had another 8-run outburst in the fourth. Plainfield's big inning was the ninth, when they plated 6 runs.

Linda Bateman pitched an outstanding game for the All-Stars and also hit a home run. Bonnie Visser came on in relief in the ninth to squelch the rally.

Marjorie Reid started for Plainfield but needed relief help from Sheila Ray, who did an exceptional job to hold off the locals from the fifth inning on.

Judy Bateman turned in her best performance of the season, hitting four doubles and three singles. Bob Taylor also had a perfect night at bat.

Those who played for the All-Stars were Bob Taylor, ss; Bonnie Visser, 3b, p; Wayne Casselman, lf; Lynn Mason, cf; Bruce Roth, rf; Linda Bateman, p, 3b; Doug Keating, c; Judy Bateman, 1b; Monica Georgerat, 2b; subs, K. Christie, W. Cummings, E. McInroy, R. Redcliffe, and E. Redcliffe.

Hay Transportation Assistance

This policy is designed to cover losses due to drought or army worm infestation. It makes it possible to move hay from surplus areas to shortage areas.

The policy reads as follows with respect to the amount of assistance being offered:

"The Ontario Department of Agriculture, under the Federal Provincial Agreement, will pay 75 per cent of the Total Transportation cost on hay up to a maximum of \$10.00 per Ton for hay purchased after July 1st,

1964."

You will note that this is effective back to July 1st, 1964. As a result, any hay-purchased after that date can be claimed. What you have to have are invoices:

1. to show the amount of hay purchased.

2. the cost of trucking.

Please note: these must be original invoices and properly receipted.

Application forms — for Hastings County, these can be obtained from the Ontario Department of Agriculture office, Stirling. Four copies of the form should be obtained. They should be properly filled out by the farmer or livestock holder and, along with the original invoices mentioned above, should be sent to the office in Stirling. They will be forwarded to Toronto for purposes of payment. One copy will go back to the applicant as a matter of record.

The question of cost of purchasing feed, that is money to make the payments, is something which will bother a number of people, particularly if they are really short of hay and have to buy a considerable quantity. To overcome this, the Ontario Government is providing a bank guarantee so that the farmer who has to have money to purchase feed can go to his bank and borrow an amount up to \$4,500.00 repayable over a three-year period. This arrangement is being worked out with the banks. People interested should talk to their bank manager. Incidentally, this bank credit guarantee covers loans made for the purpose of purchasing hay or grain due to drought conditions.

THE BIBLE TODAY

Garefi is a poor village in Greece. Garefi is poor because war has torn the country, because the fields are mud and stone, because people have fear. Garefi is poor also because the Bible has been missing in their lives, and in their homes, reports the Canadian Mennonite.

During a recent meeting of village elders with a Christian worker living in the village, it was pointed out that no one had Bibles in Garefi. During the winter, money was collected and Bibles were purchased. The town orrier announced the news when the village was ready for a Bible distribution.

It was a sunny day in an otherwise rainy month. The people were all gathered at the foot of the school-house steps as the priest, Papa Giorgiou, spoke to them. After telling them that the missionaries were Christian from another land, he came to the core of his message.

"This book is to help you — Don't put it on a shelf; read it; read it at least twice a week with the entire

family, and don't use the leaves for cigarette paper!"

One hundred and seventy Bibles were handed out.

What Others Say

FOND RECOLLECTIONS (Hamilton Spectator)

When we see old films from the Thirties, it seems incredible that railways should have played such an important part in our lives. The famous trains in those days provided superb service. They were well-patronized. There was a special charm in going to meet someone at stations — which were not melancholy and deserted as they so often are today, but crowded with people coming and going.

CUT THE POSTAL RATES (Kingston Whig-Standard)

If the Government would lower the postal rates it wouldn't make a devastating difference in revenues and it would make the post office more popular than it has been for several decades. Government services were never meant to pay for themselves and nobody but politicians with axes to grind expects them to.

Lightning Strikes Tweed Home

At the height of the electrical storm last Tuesday evening, lightning struck and damaged the home of Miss Goldie Godfrey, on North Victoria Street. Miss Godfrey, who was in the kitchen at the time, reported that the house was filled by an orange coloured flash, followed by the blue smoke.—Tweed News.

Expect Highway In Two Months

The contracting and the department of Highway workers should be finished and the section of Highway 401 between Marysville and Kingston should be complete within two months, it was reported last week.

Officials of the three large construction companies working on the project estimate their work will be finished by October 1st. The highways department will put the finishing touches on the more than 29 miles of highway and it should be carrying traffic by the end of that month. — Napanee Post-Express.

Frederick Earl McAdam Dies Suddenly

While working at his farm at Mount Pleasant, on Tuesday, September 1st, 1964, Frederick Earl McAdam suffered a heart attack and died suddenly. He was in his 74th year.

Mr. McAdam was born in Murray township, being the son of the late Mr. and Mrs. David McAdam and had resided in Rawdon Township for the past 65 years, where he successfully farmed and where he was well known and highly respected.

He was a member of Mount Pleasant United Church and was active in all branches of the church work. He was an honorary elder of the congregation. Fraternally, he was a member of Wellman's L.O.L. No. 172, and Wellman's Royal Black Preceptory No. 747 and served as master of both lodges.

Mr. McAdam is survived by his wife, the former Bertha Fair, two daughters, Mrs. Farley (Vera) Vermilyea, Mrs. Ray (Lois) Pollock, of R.R. 3, Campbellford, three sons, Harry and William McAdam of R.R. 3, Stirling, Douglas McAdam, of Lakeland and one brother, Arthur McAdam, of Toronto. Also surviving are 17 grandchildren and one great grandchild.

Resting at the Duffin Funeral Home, Stirling, where the funeral will be held at 2 p.m., on Friday, September 4th at Mount Pleasant United Church for service at 2.30 p.m. Interment Mount Pleasant Cemetery L.O.L. Memorial Service will be held Thursday evening, September 3rd at 7.45 p.m. at Funeral Home. R.B.P. Memorial Service at 8 p.m. the same evening

LEGION NOTES

A large gathering of Legion members and their ladies was on hand last Saturday evening as a special dance was held in the Legion Hall. The occasion was the re-opening of the Legion building after a long period of renovation.

Everyone in attendance was of the opinion that the Branch now has one of the finest halls of its kind. Many favourable comments were heard from the ladies and the Branch appreciates their complimentary remarks. A tasty lunch was served under the supervision of President Allan Lawes.

With the renovation campaign now

completed, the Branch Executive can expect to be faced with a problem of how best to accommodate the larger crowds which will turn out for other social events.

The first general business meeting of the Legion was held on Tuesday evening, September 1st with a good crowd of members in attendance. President Allan Lawes welcomed the members and asked for the support of all in what promises to be a very busy Fall season.

Treasurer George Noble presented a financial statement showing that despite the extensive work done this past summer, the local Branch was in a healthy financial state. Branch Service Officer Ray Tanner reported on several items concerning welfare services in this area.

Comrade Fred Heasman who is acting as Poppy Campaign Chairman reported that plans were well along for the forthcoming Poppy Campaign in Stirling and District. He reported that to date he had received offers of assistance from Comrades George Heasman, George Noble and Padre Downing. A full report of the Poppy Committee will be made to the October business meeting. Final plans for the Poppy Campaign will be made public at that time.

A brief report on the activities of the Legion-sponsored Scout Committee was presented by 2nd Vice-President Elwood Wilson. He stated that the Scout activities were resuming very shortly and that a Group Committee meeting was scheduled for next week.

Building Committee Chairman Gilbert Finkle reported on the activities of his group who have been very active during the past summer. Comrade Finkle reported that work on the new kitchen was well advanced. The walls, floor and roof are completed. Remaining work consists mainly in the installation of doors, lighting, heating and fixtures.

The meeting spent considerable time in discussing plans for the forthcoming Zone meeting to be held in the local Legion Hall. It is estimated that about 100 Legion members will be in attendance. Several committees were appointed to plan various aspects of the local Branch's work. First Vice-President Bill McMullen and his wife, Helen, were appointed to form a special committee of Legion members and their wives to plan and serve an evening meal in connection with the Zone meeting. It is expected that several members and their ladies will be contacted by Bill and Helen in the near future.

Other committees appointed are headed up by Comrades George Noble, Elwood Wilson and Ernie Boyd. It is expected that a full discussion of plans and committee reports will be made to the October meeting of the Branch.

We again remind all veterans in the District that it is still not too late to become Legion members in good standing for 1964. We urge you to contact Branch Membership Chairman Russ West at your earliest convenience.

106th Stirling Fall Fair Draws Large Crowd And Splendid Exhibits

High Quality Exhibits — 4-H Club Achievement Day — Exciting Horse Races

Taking advantage of beautiful Fall weather, a large crowd attended the 106th annual Fall Fair sponsored by the Stirling Agricultural Society on Saturday. President Ivan Saries and the directors had worked hard for months in their endeavour to improve the standard of the local fair and their efforts culminated in producing one of the better fairs of the district.

According to fair officials both the exhibits and attendance were up over previous years, and a fine degree of excellence was evident in all departments.

The Fair was officially opened by W. E. Sandercock, M.L.A. for Hastings West.

Service Diplomats
Two of the Fair Board members were honoured. Secretary Ray Shortt and Past President Earl Wallace received diplomas for long service to Ontario Fair endeavours. The presentation was made by District Fairs Director Clarence Fitchett.

The honour of being the oldest man on the grounds went to Nathan Reid, of R.R. 2, Halloway, 87 years old. Mrs. Gertie Caverley, of Marmora, was the oldest lady present, running a close second at 86 years of age.

Exhibits In Main Building

The main exhibit building had its array of produce of garden and field, home cooking that made the mouth water, and handicraft ranging from large quilts to the smaller items of wearing apparel. The excellence of the farm and garden exhibits, as well as the fancy work, drew many fine compliments from the fair patrons.

Rainbow Beauty Shoppe, operated by Mrs. L. Howard, demonstrated hair-do's, while Claude Trumble, local contractor, displayed Beauty products.

Jack's Appliances had a showing of electrical appliances and Halliday Homes; Ted's Tack Shop, saddles and equestrian equipment; and the Honourable J. R. Cooke Chapter of the I.O.D.E. had a large display of articles for Fall sale.

Altan Hadley Ltd. had a display of farm implements and Riverside Construction displayed Patz farm equipment on the grounds.

The Deseronto Fire Department operated a bingo game and did a thriving business during the afternoon.

There was an excellent horse show with both light and heavy horses being well filled as some of the best horse flesh in the Bay of Quinte was on exhibition.

The show ring was a centre of attraction all afternoon with the horse and pony classes as well as the Stirling 4-H Calf Club competition proving very popular.

There was a large cattle exhibit with all breeds being well exhibited.

Good Midway

The Ruthe midway attractions were well patronized during the afternoon. A Boy Scout booth also did a thriving business.

4-H Clubs

Achievement Day

A big feature of the fair was the part taken by Stirling district Junior Farmers and 4-H Club members.

The Trent-Moira 4-H Forestry Club had an interesting exhibit of various species of tree twigs, leaves and seeds in the main building.

Lady Directors

To Be Congratulated

The Lady Directors of the Fair under the leadership of the President Mrs. Arthur Pyear, are to be congratulated on the success of their portion of the Fair. They have worked tirelessly for the improvement of the floral, needlework, school and domestic science sections. Many congratulatory remarks were heard about the quality and the well displayed exhibits.

Domestic Science

The Domestic Science exhibit featured a delectable assortment of pies, cakes, cookies, tarts, bread and buns and other examples of home baking; also bottled goods, eggs and boxed lunches.

Colourful Display

The Stirling Horticultural Society provided a colourful display of summer blooms and plants, attractively arranged in separate groups.

Products of farm and garden, including a variety of fruits, vegetables,

Awarded Bursaries

Principal Robt. T. Hayes of the Stirling-Rawdon District High School has announced that the following students were successful in winning Dominion-Provincial Student-Aid Bursaries — University: Margaret Houtmorsen, John McGee, Robert Bell and David Murray; Teachers' College: Harry Vreugdenhill; Grade 13: Norma Brown.

Chief Hicks Recovers Cheese

Five hundred and thirty-seven pounds of cheese stolen from Shamrock Cheese Factory last week were recovered Monday night by Police Chief Chas. Hicks. Arrested was Harold Jenkins, of Carrying Place. Chief Hicks was assisted by Brighton OPP and Trenton Town police departments. More arrests are expected to be made.

John Christopher Bateman Dies In Hospital

In failing health for the past six years, John Christopher (Chris) Bateman, of Spring Brook, died in the Belleville General Hospital on Wednesday, September 9th, 1964. He was in his 71st year.

Born in Rawdon Township, he was a son of the late Mr. and Mrs. John Bateman. He had lived in the Spring Brook area in Rawdon Township all his life and was a well-known and highly respected member of that community. He was a retired farmer.

The deceased was a member of Spring Brook United Church and Past Master of Spring Brook L.O.L., No. 442.

Surviving are his wife, the former Rena Scarlett; a daughter, Mrs. Thos. (Ada) Turner, of Burlington; four brothers, Edward and Alex Bateman, Spring Brook, and Fred and Burton Bateman, Stirling. Two grandchildren also survive.

The funeral will be held from the Duffin Funeral Home, Saturday afternoon at 2:00 p.m. to Spring Brook United Church for service at 2:30 p.m.

Interment Mt. Nebo Cemetery. An L.O.L. Memorial Service will be held at the funeral home Friday evening at 8 p.m.

Grains and seeds, were also on display.

Ladies' Work

The ladies' work section was by far the largest exhibit, with the domestic science section running second in a number of individual items.

Lovely examples of clever and imaginative needlecraft were on display. Included in this division were ladies' men's and children's wear, a thrift division, and home craft sections, featuring quilts, rugs, cushions, crocheted table clothes, dollies, embroidered and outwork pillow cases, apron and towel sets, stuffed animals and pictures.

A public address system, set up on the grounds and operated by F. DeCarroll, Campbellford, gave splendid service and carried the announcements of events to all parts of the grounds.

Cheese Show

There was a large commercial cheese exhibit with district makers displaying cheese. Glen Anderson won the Sweepstake for the highest aggregate score in all classes. Other contestants were Thos. Saries, D. Carman, R. Linn, H. Elliott, H. Snarr, Ivan Sine and E. Reid.

School Section

It was in the agricultural building that the work of the junior department stood out. There were many fine exhibits of weeds, insects, vegetables and flowers. In addition there were the regular public school classes in drawing, writing and other school work. This exhibit attracted a great deal of attention and doubtless will continue to be a regular feature of the Fair.

Dance In Fair Building

The programme was climaxed by a dance in the Fair Building at night. A large crowd was in attendance and thoroughly enjoyed themselves to music supplied by Ted Curl and his Curliens.

Juveniles Enter Ontario Semi-Finals

Zephyr and Stirling Juveniles will meet here on Saturday night in the first game of the All-Ontario Juvenile "C" Semi-Finals. This will be a best two-out-of-three series.

Ball fans should make it a point to turn out Saturday night to give the locals their support.

Attending Albert College

Three local youths left yesterday (Wednesday) to enroll at Albert College, Belleville. They were: Ed and John Svoboda, sons of Mr. and Mrs. John Svoboda, Mill St., and Jan Valchar, son of Mr. and Mrs. Joe Valchar, Henry St.

Stirling Scouting

The Group Committee of the Boy Scouts met in the High School at 7:30 p.m., September 8th, with one member absent.

District Commissioner and Mrs. Joe Irish and the following leaders were in attendance: Mrs. Woodbeck, Mrs. Murray, R. Woodbeck, D. Robson and B. Green.

A discussion was held re Cubs going into the Scouts and it was decided to hold Registration Night for Cubs and Scouts on Monday, September 14th, at 7:00 p.m. The fee is \$1.50. Parents with boys going into Cubs for the first time are requested to attend.

A tentative date of October 3rd was suggested for the Annual Apple Day.

Juveniles Out Napanee To Take Zone 4 Juvenile "C" Championship

In O.A.S.A. Juvenile "C" playdowns Stirling defeated Napanee 1-0 at the local diamond on Saturday night, to take the Zone 4 Championship in two straight games. Stirling won the first game in Napanee, 7-5.

Saturday night's game was a pitcher's duel all the way with Stirling pushing across the winning run in the bottom of the ninth.

Stirling's fireballing southpaw, Howard Jeffs, hurled a three-hitter, two of the scratch variety, and hit a single which drove in the only run of the game. Jeffs blew three strikes by twelve and issued one walk.

Maurice Kimmitt tolled for the losers, being nicked for six hits. He fanned four and passed three via base on balls.

Stirling threatened to score in the second inning with one out. Smith got on base on Pierson's error. Vandervoort struck out before Wrightman doubled to shallow right field.

Jeffs lined a drive which only a great play by Van Aslytne saved the day for the visitors. Stirling again came close in the third when Potts worked Kimmitt for a walk. Noble sacrificed and Donohoe got on on an infield hit with Potts holding at second. Faulkner hoisted a fly to left field but Potts was cut down, attempting to take third on the tag.

Napanee got a man on third in the seventh when, with one out, Wrightman dropped Wagar's fly, but Jeffs struck out Brant, pinch-hitting for Pierson and got Hartwick on a third strike to prevent a score.

Stirling loaded the sacks in the eighth with none out. Jeffs drew a walk. Potts was hit by a pitch, and Noble was safe on an error. Donohoe hit into a force-out. Faulkner hit a fly to the shortstop and Irvin drove a line drive to center field that Wagar pulled down to foil the attempt.

Then came the ninth, and Smith beat out an infield hit. Vandervoort bunted safely before Hagerman hit into a force at third. Then Jeffs drove a single to left and the throw to the plate went wild as Vandervoort scooted across the plate with the run, the game and the series.

Line-ups:

Napanee — Switzer, rf; Van Alytne, 2b; Kimmitt, p; Forbes, 1b; Woodcock, c; Wagar, cf; Pierson, ss; Hartwick, lf; McCutcheon, 3b; Brant for Pierson in 7th.

Stirling — Potts, 3b; Noble, ss; Donohoe, 2b; Faulkner, cf; Irvin, 1b; Smith, c; Vandervoort, lf; Wrightman, rf; Jeffs, p; Hagerman for Wrightman in the 7th.

Paving Tenders To Be Called On D.P.H. Yards

Tenders will be called this week for grading, drainage, granular base and hot mix paving of Highway No. 14 Department of Highways Patrol Yard, north of Stirling. The announcement was made by W. E. Sandercock, M.P.P. for Hastings-South.

Accepts Position

Miss Marilyn Anderson has accepted a position in the office of the Farmers' Credit and Loan Company, Toronto. She began her duties last week.

Bloomfield Takes Three Game Lead

Kenny DeMille threw another four-hitter at Stirling and his team-mates waltzed him to a 6-1 decision over the locals on the Picton diamond on Monday night. Bloomfield now lead the best four-out-of-seven final set 3 games to none.

Bobby Hunter again gave all he had and tossed a five hitter. He lacked his usual total of strike-outs, only fanning two and passing four Carl Stacey and DeMille got to him for homers with singles going to Pero, Keith Stacey and Warren Ostrander.

DeMille fanned ten and walked two, giving up two-baggers to Smith and Noble, while Irvin and Neal each got a single.

The fourth game is slated for Stirling on Monday night.

St. John's Parish Guild

St. John's Church Parish Guild held their monthly meeting on September 8th, 1964, at 2 p.m. at the home of Mrs. K. Mumby.

The meeting opened with the singing of Hymn 435. The rector, Mr. Downing read the prayers. The president, Mrs. F. Harding, welcomed all present. Eighteen members, answered the roll call. Members were reminded of the Bazaar to be held in the Parish Hall in October.

Three very interesting readings were given: "First Rule of Happiness", by Mrs. J. Villetorte; a poem, "Don't Quit", by Mrs. G. Mumby, and "A Garden That Helps The Blind To See", by Mrs. R. E. Murray.

The hostesses, Mrs. K. Mumby and Mrs. C. Pritchard, served a delicious lunch.

Mrs. E. Cooke thanked Mrs. Mumby for opening her home.

At Sessions General Council

Rev. W. G. Fletcher and Mr. and Mrs. Donald Williams left on Tuesday to attend the 21st General Council Sessions of the United Church of Canada being held in St. John's, Newfoundland. They are delegates from the Belleville Presbytery.

In Hospital

Friends of Mr. Chas. Conley, Old Marmora Road, will regret to learn that he is a patient in Belleville General Hospital where he was taken by Duffin's Ambulance on Saturday afternoon. He underwent surgery on Wednesday morning. Latest report is that he is progressing satisfactorily.

Fred Reid Mallory Former Clerk Dies Monday

A well-known and highly-respected member of the Stirling community and clerk of the village for a number of years, Fred Reid Mallory, of Stirling, died at the Belleville General Hospital on Monday. He was in his 85th year.

Born in Sidney Township, he was the son of the late Mr. and Mrs. Burnham Mallory. He had lived in Stirling for the past 31 years and previous to that in Sidney Township.

He was a retired clerk of the village of Stirling and a life member of Franck Masonic Lodge, A.F. and A.M. No. 127, Frankford, and a Past Master of the Lodge. He was also a life member of Keystone Chapter, No. 72 R.A.M., Stirling. Mr. Mallory was an ardent lawn bowler and member of the Stirling club for many years. He was also Secretary of the Belleville Cheese Board for many years and acted as Secretary of the Stirling Agricultural Society for a number of years. Mr. Mallory was a member of St. John's Anglican Church.

Surviving are a daughter, Mrs. C. Arthur (Heleen) Bateman, of Baltimore, Md., U.S.A., and two sons, Mr. F. Mallory, of Frankford, and A. Raymond Mallory, of Stirling. He was predeceased in 1951 by his wife, the former Annie Eveline Grass.

Also surviving are two sisters, Mrs. James Dentham and Miss Maude Mallory, both of Toronto; eight grandchildren and eight great-grandchildren.

The funeral was held at the Duffin Funeral Home, Stirling, on Wednesday afternoon. Reverend F. E. Downing officiated.

The pallbearers were Messrs. Jack Doran, Robt. Hullin, R. D. Cooke, Ted Barnard, Clive White and Gilbert Finkle.

Interment Stirling Cemetery.

On Tuesday evening at the Funeral Home, members of Franck Lodge, No. 127, A.F. & A.M., Frankford held a Masonic Memorial Service. Prior to the memorial service, members of the Stirling Lawn Bowling Club attended in a body.

Local Flying Club Off To Good Start

Fully Licensed By The
Department of Transport
— Instructors Available

Sunday, August 30th, under the instruction of Jack Bond, an instructor with Prince Edward Club in that student pilots started flying lessons. The Oak Hills Flying Club is affiliated with Prince Edward Club in that the Prince Edward Club supervises all the instruction.

In addition to the students, one pilot had a check-out and various visiting pilots visited the field.

This past week-end friends of Chief Constable Chas. Hicks, flew in from Western Ontario and tied-down at the field. In addition, numerous local pilots visited the field.

This flying field is now fully licensed by the Dept. of Transport. This past week, the members were honoured by a visit from County Council members, members of Parliament and other dignitaries on a tour of the County. The Club office and lounge is nearing completion.

The location of this flying field presents one of the finest views (from the ground) to be found in Ontario.

We expect the activities of this Club will continue to grow to the expectations of the hard-working executive and members.

Successful In Accounting Exams

In the Institute of Chartered Accounts of Ontario Examination posted recently, Bernard Beckett was successful in his first year examinations tried in June. He also received the Ontario Institute prize in auditing.

Enrolment At Local Schools

Stirling schools opened on Tuesday morning and from primary room to upper grades, students trooped to class after their long holiday. Registration and information as to books needed were the main activities on the opening day and Wednesday, the year's work began in earnest.

High School

According to figures released by Principal R. T. Hayes, the total enrolment at the Stirling-Rawdon District High School as of Wednesday was 275, a decrease of seven over last year. Twenty-three students this year are attending Belleville Schools enrolled in Business and Commerce, Science Technology and Trades and Special Commercial courses.

Public School

At the Public School, registration showed 263 pupils in attendance, an increase of eight over last year.

The various teachers at the Public School are: Mrs. B. Bell, Mrs. E. McGee, Mrs. B. Runions, Mrs. C. Rodgers, Mrs. G. Heath, Mr. Edmund Fleming, Mr. Gerald Danford and Mr. Marvyn Scott, Principal.

Editorial

ADVERTISERS MAKE NEWSPAPER POSSIBLE

This is the third in a series of editorials explaining how
a weekly news-paper functions.

The advertiser is the man who makes the modern news-
paper possible. He provides the major part of the revenue,
for without advertising the subscription price of any paper
would be prohibitive.

The advertiser wants to sell his goods or services to a
large number of clients and therefore must get his message to
prospective customers. A much higher percentage of both
news and advertising appearing in the hometown journals is
actually read than that appearing in a metropolitan newspaper
or a national magazine. This fact is the reason why the weekly
is such a valuable advertising medium. The readers are cus-
tomers — one half of all retail buying in Canada is done in
small centres served by weeklies.

While on the subject, we would like to refute the old
chestnut that advertisers dictate a paper's policy. The adver-
tiser wants his message read, and that means a large number
of subscribers who have a fair amount of faith in the paper.
Such a circulation is possible, over a period of years, only by
a paper with an independent policy. It would not, therefore,
be in the advertiser's own interest to try to dictate editorial
policy.

Here at the News-Argus, we have had very few
attempts made by advertisers to "dictate" to us. And those
few attempts were rebuffed.

Summing up, the advertiser makes it possible to sell the
paper for a few cents a piece. An independent, outspoken
press provides better advertising than does a subservient one.
No paper, therefore, need be dictated to by its advertisers, even
though the advertiser does provide the major part of a paper's
revenue.

ELECTRIC KISSING

(Ontario Hydro News)

Does the object of your affection call your kisses
"electric" or "electrical"?

The question is really academic, since this is one place
intent overrules grammatical accuracy. But it's a provocative
introduction to a problem of English composition which causes
a great deal of head scratching, particularly among people in
the electrical business who use the terms every day.

Some dictionaries indicate that "electric" and "electrical"
are synonymous but general usage in the electrical field
has distinguished between the two.

Electric means containing, arising from, actuated by, or
carrying electricity, designed to carry electricity and capable
of doing so. Examples: electric eel, energy, motor, vehicle,
wave.

Electrical means related to, pertaining to, or associated
with electricity, but not having its properties or characteristics.
Examples: electrical engineer, handbook, school, insulator,
rating (one exception: Ontario Municipal Electric Association).

Getting back to kissing, these shades of meaning permit
a close assessment of your osculatory prowess. If your kisses
are "electric" you've got it made. An "electrical" buss would
suggest that you have good potential, but lack spark, and per-
haps a little more practice is in order.

An archaeologist is the best husband any woman can
have: the older she gets, the more interested he is in her —
Agatha Christie.

When a man points a finger at someone else, he should
remember that four of his fingers are pointing at himself —
Louis Nizer.

A man who uses a great many words to express his
meaning is like a bad marksman who instead of aiming a single
stone at an object, takes up a handful and throws at it in hopes
he may hit — Samuel Johnson.

OF MANY THINGS

(By Ambrose Hills)

MONEY AND EVIL

Quite frequently one hears televi-
sion characters comment that "Mon-
ey is the root of all evil". Not so. It
is the love of money that is evil, not
money itself or the possession of it.
Indeed, money is a symbol of work
done, of useful things accomplished,
and in these things all sensible per-
sons take pride. Pride in the money
itself is stupid and evil.

It has always seemed to me that
those persons who are obsessed
about money, either their own or
someone else's, are lost souls, and are
to be pitied. They either condemn a
neighbour for too much money, or
pity him for too little; their minds
never dwell on his real character or
his abilities, his indolence or his dili-
gence. Blind in their judgment of
others, they are equally unlikely to
take a good square look at them-
selves.

This misconception about money is
more serious than it sounds. The
boy who leaves school bent on noth-
ing but making money is not likely to
make very much of it. He is more
likely to become a bitter loser, be-
cause he thinks money as something
worthwhile in itself and not as a sym-
bol of achievement. Had his goal
been achievement, money might well
be a result of his striving for that
goal. Money as a goal in itself is a
will-o-the-wisp, seldom brings success.

It is true that the love of money is
the root of a great deal of evil, and
I think it is also true that hatred of
money is nonsense. Emotions related
to money are wasted. In itself, it
deserves neither love nor hatred. Get
the heart and eye on something more
substantial if you want real satisfac-
tion out of life.

Observes 50 Years As Weekly Newspaperman

September, 1964, marks an unique
anniversary for one of Canada's
widely-known weekly newspapermen,
A. E. "Gus" Dobbie, editor of the
Smiths Falls Record-News for the
past 30 years. In September he ob-
serves his Golden Jubilee as a suc-
cessful newspaperman, editor and
publisher.

Still an active and progressive
newspaperman, Gus Dobbie continues
to turn out thought-provoking editor-
ials designed to improve his commu-
nity and keeps a watchful eye on all
municipal affairs.

Besides running what many con-
sider as the most up-to-date and ad-
vanced weekly newspaper in Ontario,
he can still be found every publishing
day up to his elbows in ink as he as-
sists his compositors in page make-
up. During holiday times, he prides
himself on the fact that he can make
up a smart looking page as fast as
any skilled tradesman — with no mis-
takes.

With 50 years behind him, Gus Dob-
bie is looking to the future with The
Record-News. He recently installed a
new Cox-O-Type news press; an
Elrod, Ludlow, router and planer.
His shop is completely equipped and
no work is jobbed out, which has been
one of his goals for years.

In addition to this, he has recently
completed renovations and re-con-
struction of his newspaper offices and
news rooms; installed a photographic
darkroom and electronic engraving
equipment, preparing cuts for his and
several other Ottawa-Valley newspa-
pers. His job shop turns out work that
can be matched by few and, as always,
he seeks ways to eliminate any pos-
sible flaws.

Gus Dobbie served his apprentices-
hip on the Georgetown (Ont.) Her-
ald, where he was the printer's devil
and learned to hand-set type. He was
later associated with the Parry
Sound (Ont.) Canadian and then for
six years was with the Petrolia
(Ont.) Advertiser-Topic.

At this period of his career, besides
studying journalism at the University
of Toronto, he decided to stretch his
wings and purchased the Stirling
(Ont.) News-Argus. He came to the
Record-News in April of 1934 to run
the paper founded by Harry Sutton,
who had died the previous Septem-
ber. Mr. Sutton and the late G. F.
McKimm had amalgamated the
town's two papers into The Record-
News.

Never a man to be on the outside
looking in, Gus Dobbie has served on
many municipal boards and was one
of the spark plugs behind the forma-
tion of Little Theatre. He takes an
active interest in sports and seldom
misses home and away games of the
local hockey team. He is politically
Conservative but will not let his per-
sonal feelings extend into the col-
umns of his paper.

Many people, on first meeting Gus
Dobbie, believe he has a crusty ex-

terior. This may be so, but it is only
a pretense. He has little patience
with incompetence but untold under-
standing for the problems of others.
As a good newspaperman, he is al-
ways ready to listen, advise and
guide. He makes a mistake, he ad-
mits it publicly. When he is right,
he refuses to back in any reflected
glory, believing that the responsi-
bility of a weekly newspaper is to keep
a watchful eye on the welfare of the
community as a whole.

His philosophy: Never compare a
weekly with a daily. Never make a
weekly look like a daily. The week-
ly has a most vital role to play in
Canadian journalism, as does the
daily. Its duty is to inform the citi-
zens of the community; tell of its
triumphs and trials and above all,
build for a better future.

St. Paul's AOTS Entertain Guests At Barbeque

Anne Reid has returned home from Toronto where she held a position for the past 8 weeks with the Dept. of Education.

The McKeown and Morton families, relatives of Mr. and Mrs. Fred McKeown, of Spring Brook, met at Sentinel Orange Hall, Petherick's Corners, on Friday night, to visit with their son, Carl, of Victoria, B.C., who has been visiting his parents and other relatives here for the past few days.

Mrs. Mary Jane Murray has been spending a few days with her son-in-law, Mr. Wm. Morton, Sr., and grandson, Bob.

Mr. and Mrs. Jack Spencer and boys, and her parents, Mr. and Mrs. Harper Bateman, Spring Brook, were Sunday dinner guests of the Bateman's son, Douglas, his wife and family at Aurora. They spent the supper hour with their daughter, Mrs. Bill Amm, her husband and Chérene, in Toronto.

Debbie and Chrissy Doher, Campbellford, spent a few days last week with Kathy and Karen Thomson, while Steve Thomson, visited his cousin, Danny Doher.

Agnes McKeown, nurse-in-training at Belleville Hospital, has been vacationing with her parents, Mr. and Mrs. Thos. McKeown.

Mr. and Mrs. Lloyd Anderson and children visited her cousin, Mrs. Jack Clarke, at Consec on Sunday.

Susan Donaldson, Peterborough, spent a few days last week with her cousin, Marilyn Stewart. They spent the week end on a camping trip at the Outlet, near Picton, with Susan's parents.

Summer holiday guests of Mr. and Mrs. Roy Barton were their sons, Don, of St. John's, Newfoundland, and his wife and children, and Bruce, his wife and children, of Brampton. Their grandchildren, Danny, Sharon and Craig Barton, spent a few days here last week and Mrs. Barton returned to Brampton with them for a few days.

Wm. Morton, Sr., and his sister, Mrs. Essie Reid, visited her daughter, Mrs. Bert Sine, on Sunday at her home at Sine.

Mr. and Mrs. Ellis Jones called on his mother and sister, Mrs. G. W. Jones and Mrs. Thelma Tulloch in Stirling on Sunday afternoon. Mr. and Mrs. Bob Jones and Linda, of Toronto, were also visiting.

Mr. and Mrs. Wally Jackson and children, Oshawa, spent the week end with her parents, Mr. and Mrs. Fred Petherick.

Mr. Charlie Wellman, Marjorie and Melinda, are holidaying at Deerhaven Cottage this week.

Mr. and Mrs. Charlie Nickerson and family are moving into Mr. Lorne Bailey's house, formerly known as

the Haslett property on the 12th Line. The many friends of Earl McKeown, of Victoria, B.C., formerly of the 12 line are happy to have him with us for a two-weeks' vacation.

Mr. and Mrs. Bruce Bell, of Stirling, returned to their home on Friday having spent the past two weeks in the Northwest Territories.

Mr. Lyle Stevenson, of Toronto, is holidaying with Mr. and Mrs. Percy Embury at EM Breeze Inn, Crowe River.

The Orange Hall, Spring Brook, was filled with friends and relatives to honour Mr. and Mrs. Ken Stiles (nee) Janice Wood recently. Music was supplied by Doug and Myrt Jones and dancing was enjoyed until 12:30 p.m. when Mr. W. J. Barlow, chairman, called order and Mr. and Mrs. Stiles were asked to be seated on two chairs on the platform.

A very appropriate address was read by Mr. Glenn Stewart and a purse of money was presented by Mr. Doug Andrews. Ken in a few well chosen words thanked all for the gift and invited all to visit them in their new home in Kingston.

Stirling Women's Institute

Mrs. Blanche Reid opened her home to the members and visitors of the Stirling Women's Institute on Wednesday afternoon, September 2nd

for their regular meeting.

Mrs. Frank Smith presided and conducted the opening of the meeting, the business and the programme.

The roll call, "Name a reeve of the Village and give a highlight", was answered by thirteen members.

The treasurer's report was given by Mrs. Smith, in the absence of Mrs. Wm. West. This report was followed by the minutes and the correspondence.

The collection and pennies were gathered by Mrs. A. Wannamaker.

Mrs. Smith collected the subscription money for the new term for "Federated News" and distributed the latest issue.

Resolutions will be dealt with at the Area Convention in Belleville, on September 24th and 25, at Club Canara.

Mrs. Smith displayed an attractive, well-made quilt which she had completed. A quilting is planned for sometime in September.

Permission was granted to the I.O.O.F. Lodge to rent the Stirling W.I.'s knives and forks for \$4.00.

Mrs. Foster gave a paper on "Citizenship". Mrs. David Luery gave a reading, "I Want To Go To-morrow". Mrs. A. Wannamaker, a reading, "A Few Things We Could Do Without".

Mrs. Smith conducted a contest on "The Rules of the Hand Book", with Mrs. Foster and Mrs. D. Luery being the winners.

Mrs. Reid conducted a flowers con-

test and the winners were Mrs. Rupert, Mrs. Smith and Mrs. Wright.

The Queen was sung, and then a lunch served which included cup cakes decorated with a candle each, to celebrate birthday of four members. Happy Birthday was sung. Mrs. C. Hicks expressed thanks for the lovely afternoon.

Guide To Provincial Assistance

A handbook of grants and subsidies payable to municipalities has been released by the Hon. J. W. Spooner, Minister of Municipal Affairs.

Entitled "Provincial Assistance to Municipalities, Boards and Commissions", it is a ready reference to the various forms of aid and the manner in which they are more readily found and identified in relation to any local undertaking or expenditure. The publication is for the guidance of municipal officials, and members of boards and commissions. Essentially a revision of the Department's 1960 publication, "Basis of Grants and Subsidies Payable to Municipalities", it is expected to lend itself more easily to periodic revision in its new form.

The information contained in the publication is not intended as substitution for reference to the relevant Statutes or Regulations or to specific instructions and explanatory material issued from time to time. Municipalities, boards and commissions are advised to consult with the appropriate government department or agency before undertaking expenditure commitments in the expectation of receiving provincial assistance.

Mrs. Wm. Dodwell
Dies At Scarboro

Mrs. Ada Nellie Dodwell died at the home of her daughter, Mrs. Nancy Rodgers, 25 Willowlea Drive, Toronto (Scarboro) Ontario, on Wednesday, September 9th, 1964.

She was a daughter of Mr. and Mrs. Edmund Mead and was born at Heathfield, Sussex, England, on January 12th, 1870.

She married the late William White Dodwell, who died in England. She then came to Canada in 1923. She lived in Stirling, for some time, then in Oshawa for the past three years. She attended the Anglican Church.

The deceased is survived by three daughters, Mrs. Lillian Nellie Preston, Oshawa; Mrs. William (Ida) Hadland, Buckinghamshire, England; Mrs. Nancy Rodgers Scarboro; three sons, William, Albert and Cecil. One son is predeceased, Alec Mead Dodwell. Mrs. Dodwell was the last of a family of seven. Also surviving are seventeen grandchildren and eighteen great-grandchildren.

Mrs. Dodwell is resting at the Armstrong Funeral Home, Oshawa, Ontario, where the funeral service will be held in the Chapel on Friday, September 11th, at 2.00 p.m. Archdeacon H. D. Cleverdon, of Christ Memorial Church, Oshawa, will officiate.

Interment Oshawa Union Cemetery.

 Are very hard to find.
 If all the world was mine to give,
 I'd give it, yes and more,
 To see the face of you, Dear Dick,
 Come smiling through the door.
 — Ever remembered by your friend. 23-1p

(Too Late For Last Week)

Several friends and neighbours attended a social evening at Petherick's Corners Hall on Thursday evening in honour of Carl McKeown, of Victoria, B.C., who has spent the past two weeks with his parents, Mr. and Mrs. Fred McKeown and friends, Mr. and Mrs. Will Morrow, Peterborough, were among those from a distance.

The W.I. held their meeting at the home of Mrs. Gerald Burkitt on Wednesday afternoon with a splendid attendance of members and visitors.

A large gathering of friends and neighbours attended the shower on Friday evening in honour of Mr. and Mrs. Kenneth Stiles. They will reside at Kingston.

Mr. Carl McKeown left by plane on Monday for his home in Victoria, B.C. Mr. and Mrs. Gerald Burkitt, Don Sharou, Joanne and Jim, and Bob Donohoe attended the wedding at Ajax of Dawn Carleton and Douglas Cook, of Oshawa, on Saturday, August 29th.

Mr. and Mrs. A Burkitt accompanied Mr. and Mrs. Harry McAdam to Oshawa on Sunday and visited Mr. and Mrs. Jas. Meneely and Mr. and Mrs. David McAdam.

Mr. and Mrs. Nickerson, of Harold, have moved here to the Bailey house.

Mr. and Mrs. Earl Haslett and family are visiting Mr. and Mrs. Harry Haslett.

Wellman's W.I.

The monthly meeting of Wellman's W.I. was held at the home of Mrs. Robert Wallace and Mrs. Howard Wallace on August 26th, with twenty-five ladies and sixteen children present.

The President opened the meeting with the Institute Ode, followed by

the Lord's Prayer. The roll call, "A press clipping of agricultural interest", was well responded to.

Mrs. Burton White, convenor for Agriculture and Canadian Industries, introduced the guest, Mr. Chas. MacKenzie, of Stirling and Belleville. He showed slides on Barbados and Florida, which were thoroughly enjoyed by all. Mrs. John Carlisle voiced thanks of all present and presented Mr. MacKenzie with a small gift.

The president resumed charge of the meeting and the secretary read the minutes. The correspondence was also read by the secretary and several items of business were dealt with, one being the forming of a 4-H Girls' Club, with Mrs. Alfred Atkins as leader and Mrs. Burton White as assistant.

Mrs. Wm. Fleming, Jack Fleming and Mrs. Burton White paid to the birthday box and "Happy Birthday" was sung. The Pennies for Friendship jar was passed. The current events were given by Mrs. Chas. Dunham. The motto, "He who sows courtesy, reaps friendship; and he who plants kindness, gathers love", was well prepared and given by Mrs. Jack Dunham.

The president thanked the hostesses and all taking part in the meeting and closed with all repeating the Institute Creed followed by singing of The Queen.

The hostesses and their assistants served a delightful lunch and all enjoyed a social half hour.

The Good Driver

Parents who are wondering what type of car should be used when their children are taught to drive will be interested in a decision just made by the PRO Drivers Committee in Toronto.

The PRO Drivers Club, developed in 1962 by Metropolitan Toronto Police, Radio Station CFRB and the On-

tario Safety League is now giving complete driver education courses to teenagers at the rate of 1,500 a year. The courses are run at the League's headquarters and comprise 25 hours of classroom instruction, given by specially-qualified school teachers, plus 10 hours behind-the-wheel, and an additional 18 in-car hours observing other students under instruction. The course costs \$48.50; benefits include reduction in insurance premiums for male graduates.

The Committee has now decided that all future training will be given on automatic transmission cars.

"This decision will not be popular with all parents", says Inspector Charles Pearson, head of Metro Toronto Police Traffic Safety Bureau. "Where the family car has standard gears, some parents want their children to use similar controls when they learn to drive. Because of the waning popularity of standard transmissions in Canadian cars, few of the specially trained driving school instructors who work on the courses have standard gear cars. In any case, authorities agree there are solid advantages to be gained if teaching is done on automatics. So we have decided to use automatic transmissions only, in future."

Fred H. Ellis, General Manager of the Ontario Safety League, explains what some of these advantages are:

"Mastering the techniques of gear shifting is time-consuming and time wasting for a beginner. He is still fumbling and anxious about engine revolutions, gear positions, clutch friction-point when he would be developing knowledge and confidence much faster if he were driving along smoothly in a no-clutch car, concentrating on the more important elements of driving — such as road positioning, observation and interpretation of traffic conditions, courtesy and co-operation with other road users."

When a beginner can drive well enough to get a licence in an automatic transmission car, it takes only a short period to pick up the skills necessary to handle standard gear controls. But to start off facing the intricacies of gear shifting slows down the whole learning process, and can increase the necessary amount of in-car training by as much as 50 per cent."

Girls To Pay More For Car Insurance

Statistics have caught up with unmarried women drivers under 25. As a result, their car insurance rates have gone up since the first of the year.

A Toronto auto-insurance executive says that in recent years companies have had more statistics on which to base their rates for young women drivers. They indicate that if girls drove as many miles as boys in a given period, they would have as many accidents.

Charles Holman, who is chairman of the Canadian Highway Safety Council as well as public relations director for his firm, says people under 25 in Canada do 18 per cent of the driving and have 29 per cent of the accidents.

He says rates for people under 25 who are married go down, perhaps because marriage has a stabilizing influence that affects their driving.

In the Toronto area the base insurance charge for \$35,000 coverage for a single woman under 25 who has had three accident-free, ticket-free years of driving would be \$75. For a man with the same qualifications it would be \$124.

Anyone over 25, married or single, with the same record would pay \$46. One of the reasons for the differ-

ences in rates for young men and women is that women drive less between 7.30 p.m. and 3 a.m.—the critical accident time.

Mr. Holman says Canadians have more accidents than Americans and speculates it may be because of the number of driving courses given in U.S. schools. "In Canada there are only 234 schools with such courses. Canadian youngsters seem to learn by osmosis. They learn by watching their fathers' mistakes."

Headache tablets, probably the most common of home remedies, are responsible for more child poisonings than any other substance, reports the National Safety League of Canada.

The tractor is involved in most fatal farm accidents, according to the National Safety League of Canada. Operators of this versatile farm machine must know and use safe-operating procedures.

THE WILLIS BROTHERS

Brothers Austin and J. Frank Willis, originally from Halifax, have become well known to Canadians because of their successful broadcasting careers. Austin (left) has gained international renown for his acting at home, in Britain and the United States. J. Frank Willis, veteran CBC staff member, first became known during his brilliant reporting of the Moose River Mine disaster for CBC radio. He's now familiar to CBC radio listeners for his major productions such as CBC Sunday Night and is working on a radio documentary on the First World War. Television viewers know him for his work on Close Up and Question Mark.

Now Available

LOANS FOR STUDENTS Guaranteed by the Government of Canada

Purpose: The purpose of the Canada Student Loans Act is to facilitate bank loans for students who need financial help to continue full-time studies beyond secondary school level at Universities and other educational institutions.

Who can apply: Any Canadian citizen, or anyone resident in Canada for one year who intends to live in Canada after completion of studies, may apply for a loan under the Act. An applicant must be enrolled or intend to enroll as a full-time student at an educational institution approved by provincial authorities, and must meet the standards of academic qualification and financial need established by the student loan authority in the Province in which he applies.

Amount of loans: Depending upon individual circumstances and financial need, loans up to \$1,000 a year may be made, with a maximum of \$5,000 during a student's academic career. The Provincial Authority receiving applications and determining eligibility will issue a certificate to each eligible student stating the maximum amount the student may borrow. This Certificate of Eligibility is required before a student can arrange a Government Guaranteed Student Loan with the bank of his choice.

Repayment: Interest-Free and Delayed Repayment Period
To assist students, the interest on loans during the period a student continues full-time studies, and for six months thereafter, will be paid by the Government of Canada. During this same period no repayment of principal is required, nor will any service charge or fee be payable by the student.

Method of Repayment

Borrowers will begin to pay interest and to repay loans six months after they cease to be full-time students. The current interest rate to students is 5 1/4% per annum. Normally the repayment period will be five to ten years. Borrowers have the right to repay loans in part or in full at any time without penalty.

Life Insured

In the event of the death of a borrower responsibility for repayment of the loans will be assumed by the Government of Canada.

Where to apply: A list of approved educational institutions in Ontario is contained in a brochure now available at banks, universities and other educational institutions. Ontario residents planning to attend one of these institutions should apply directly to that institution for a Certificate of Eligibility.

Ontario residents planning to study in other provinces or countries should direct enquiries to: Department of University Affairs, Suite 600, 344 Bloor Street West, Toronto.

The above notes are based upon the Canada Student Loans Act 1964 and are for reference only. All applications and loans are subject to the full terms and conditions of the Act.

BETTER BREAKFAST — BETTER DAY Most Neglected

Meal of the Day

How much thought have you given to breakfast lately? Nutrition surveys have found that this important meal is the most often neglected and that too many children and adults go off to school and work inadequately nourished for the day ahead.

That Mid-Morning Slump

Health authorities tell us that after eight to ten hours of fasting, the body needs the nutrients that only a good breakfast can provide. If you've experienced that "mid-morning slump" after skipping breakfast, your body is just protesting that it can't go on without proper nourishment. Studies have shown that children do better at school and adults at work when they have eaten an adequate breakfast.

Teen-Age Girl Notorious

'Breakfast Skipper

Did you know that the most under-nourished member of the average family is the teen-age girl? She's usually a notorious breakfast skipper — too busy taking her hair out of curlers or too timid to eat in case she puts on unwanted pounds.

Skipping breakfast to lose weight

is a poor practice — it may actually lead to overweight, because the diet usually overeats at the next meal. Three well-balanced meals a day are recommended by most medical authorities for reducing diets—and this includes breakfast.

Getting Off To The Right Start

Improving the breakfast habits of your family is a real challenge but well worth the effort in better health and efficiency.

Here are some suggestions by the home economists of the Consumer Section, Canada Department of Agriculture, Ottawa, to help you start your day off with a good breakfast:

Get the whole family up at least half an hour earlier; that way you can all enjoy a leisurely breakfast together.

Set the table attractively. Start every morning off in gay spirit.

Set the table the night before or have the place settings on a tray for quick and easy preparation in the morning.

Prepare the more time consuming recipes the night before if possible. For example measure the dry ingredients for pancakes or coffee cake the night before, then all you have to do is add the liquid at breakfast.

Use your freezer, frozen waffles, muffins, coffee cakes thaw in minutes.

Employ as many time-saving electrical devices as you can — electric coffee pot, frying pan, grill, etc.

If appetites are poor or resistant to breakfast — coax them with small servings, then gradually increase the serving size.

If teen-age daughters are afraid of getting fat on breakfast — a heart to heart talk with the school nurse might help.

Serve a variety of foods — try breaking away from the traditional breakfast food. Occasionally serve your family's favourites; even if it's hamburgers or grilled cheese sandwiches!

Plan your menus for a week in advance.

Follow A Basic Breakfast Pattern

According to nutritionists each day's food must supply many different nutrients:

Protein for growth and repair.

Minerals and Vitamins for growth and to aid efficient body function.

Fats and Carbohydrates (sugars and starches) for energy.

Since no single food can provide all the nutrients in the amounts needed, try to plan your family menu to include in each meal some of the food groups in Canada's Food Guide: milk, fruits, vegetables, bread and

cereals, meat.

Breakfast should include from a fourth to a third of the day's food requirements.

Here is a Basic Breakfast Pattern. These foods should be included in some form at breakfast every day:

- *Fruit or juice
- Whole grain cereal with milk
- Egg or other protein food (if desired)
- Toast with butter
- Beverage — milk for children
- * Preferably a satisfactory source of Vitamin C such as vitaminized apple juice, tomatoes or citrus fruit or juice.

Plainfield Wins Eastern Y.P.U. Championship

Plainfield captured the eastern division Y.P.U. title and the right to meet Johnstown for the Bay of Quinte Championship in a seven-inning thriller with Cannifton here on Thursday last.

The final score of 16-15 with each team getting the same amount of hits. The smallest player on the field, Dianne Hall, led Plainfield to victory with a brilliant clutch of a line drive with bases loaded, and also hit a home run, with two aboard to

start Plainfield on a third inning rally. Bob Smith hit a pair of homers for the winners and Gary Ray also got one.

Sheila Ray started on the Plainfield mound, and was relieved by Marj. Reid in the fifth. Linda Casey went the distance for Cannifton.

Line-up:

Cannifton — S. Marton, cf; Ross, lf; W. Tummon, ss; Middleton, 1b; Walker, c; Nancy Latchford, 3b; Linda Casey, p; Dianne Tummon, rf; Judy, 2b.

Plainfield — Geen, cf; Don Reid, c; Gary Ray, lf; B. Smith, rf; Ketcheson, ss; Sheila Ray, p, 1b; Marjorie Reid, 1b, p; Dianne Hall, 2b; Elaine Mitchell, 3b.

Scorekeeper, Garnet Geen.

Hostess Wellman's U.C.W.

Mrs. John Carlisle was hostess to the ladies of Wellman's United Church Women on Tuesday, September 8th. The president, Mrs. Omar Dracup, gave the Call to Worship, followed with the singing of the hymn, "We Plough the Fields". All repeated the Lord's Prayer.

Miss Emma Rainie took charge of the Worship Service, with the theme, "Faith, Hope, Trust, Patience and Love". One verse of the hymn "Faith of Our Fathers" was sung and Rev.

Fletcher offered prayer. Miss Reible gave a history of occurrences in her life where these factors were emphasized. She recalled hymns in connection with many occasions. Mrs. Burton Morton read Hebrews 11: 1-30, 39 and 40. Mrs. Ken Tompkins read a poem, "In The Shadow of Thy Wings". Mrs. Gerald Russett sang a solo entitled "How Great Thou Art", concluding the Devotional.

The offering was gathered and dedicated by Mrs. Dracup. The minutes, read by Mrs. Ken Tompkins, were approved. The correspondence was read. The roll call, containing the word "wisdom" was answered by 14 adults. There were 2 children in attendance.

Rev. Fletcher conducted the Bible Study, based on "The Bible and the Word of God". Rev. Fletcher told of the first writing of the Bible, stressing the fact that none was written by Jesus. The Bible is written inspirations of different people. The reasons for the writing of the Old and the New Testaments were brought out. This proved a most interesting study. Mrs. Dracup thanked everyone taking any part in the proceedings of the meeting and the hostess.

The hymn, "Praise, My Soul", was sung and Rev. Fletcher pronounced the Benediction.

The hostess and assistants served dainty refreshments and a social hour was enjoyed.

BANK OF MONTREAL UNIVERSITY EDUCATION PROGRAMME

A comprehensive, life-insured plan for financing a college education for boys and girls now in high school

If you are like most parents with children in high school, you are probably wondering how you are going to meet the costs of financing your youngster's college education. To help parents solve this problem, the Bank of Montreal has introduced its University Education Programme—the first life-insured plan of its kind in Canada.

Under this comprehensive programme, parents, guardians and sponsors of high-school students can spread the cost of a university education over periods of up to nine years, thus keeping monthly payments to amounts they can afford without hardship. And the cost to the parent is only a fraction of the interest paid on a straight loan programme.

HOW THE PROGRAMME WORKS
Under the basic plan, the parent agrees to make monthly payments to the Bank starting, say, two years before the student enters university, and terminating one year after graduation. In return, the parent receives an annual sum from the Bank at the start of each of the four university years.

VARIANTS OF THE PLAN

Several optional plans are available under the programme, and these vary as to the number of years in which the parent wishes to make monthly payments, as well as to the amount required annually for university expenses. Plans are based on objectives ranging from \$1,000 to \$8,000 payable to the parent in four annual instalments.

Here is an example of how one of the basic plans can be varied to suit your needs:

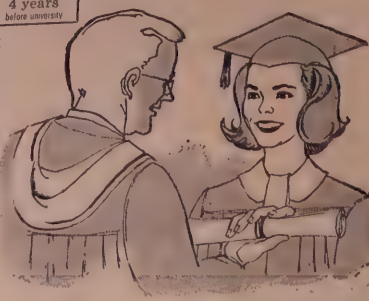

OBJECTIVE: \$4,000			
To be paid to the parent in four annual amounts of \$1,000 each			
OPTIONS	YOU PAY MONTHLY	PERIODS OF PAYMENT	YOUR PAYMENTS BEGIN
Plan A	\$49.55	7 years	2 years before university
Plan B	42.78	8 years	3 years before university
Plan C	37.56	9 years	4 years before university

LIFE-INSURANCE FEATURE

If the parent concerned should die after the start of the programme, the funds for education specified in the agreement will be advanced by the Bank each year without any further payments being made by the family or the estate.

HOW TO JOIN THE PROGRAMME
See the people at your neighbourhood B of M branch. You will receive a warm welcome from a staff who will be pleased to give you further details and to help you select a plan suited to your needs. Ask for your copy of the Bank of Montreal University Education Programme folder.

P.S. If you need help in financing a student already in University—or planning to register this year—talk to your B of M Manager. Chances are he can arrange a tuition loan with extended payments adapted to your circumstances.

LEGION NOTES

As thousands of Canadian school children return to school this week, we venture to say that none among them will have any personal recollection of World War I which ended over 19 years ago. No doubt there are many who come from families who lost loved ones in two World Wars, but to most school children, our war dead and the sacrifices they made will be merely history recorded on the printed page. They will have no personal recollections or actual association.

To them, the thousands who fought

and died and the many more who were crippled and who still suffer from wounds, will be unknown. They, of course, cannot remember those they never knew. In Canada at present, about 75 per cent of our citizens have no personal remembrance of World War I. Approximately 42 per cent of our population have no personal recollection of the Second Great War.

On countless numbers of scrolls, monuments and cenotaphs, the names of our war dead are recorded in cold, impersonal letters. To our school children, they are merely names. They represent people they never knew who helped to write a part of the history of Canada which they will read in history text books.

Perhaps this is the way of all life. Yet, when we consider the many privileges and freedoms which all

The privilege of attending school is not to be taken lightly. It is a very important part of our heritage which we hold in trust. It is up to us to improve it if we can, so that the next generation will receive it and benefit from it. Let us forget the many students who left our community 25 years ago so that we may enjoy such a heritage today.

Funeral Of F. Earl McAdam

The funeral of Frederick Earl McAdam was held Friday, September 4th, in Mount Pleasant Rawdon United Church and was largely attended. Rev. W. G. Fletcher officiated and Mrs. Thos. Searles contributed a vocal selection, "How Great Thou Art". The congregational hymn was "The Sands of Time Are Sinking". The pallbearers were Messrs. W.H. Jeffs, Ira David, Irwin Potts, Earl Dunham, Oscar Merrick, of Mount Pleasant, also Mr. Donald Sharp, of Campbellford.

Interment was made in Mount Pleasant Rawdon Church Cemetery. On Thursday evening at the Duffin Funeral Home, members of L.O.L. 172 and R.B.P. 747, of Wellman's led the Memorial Service with a large number of brethren in attendance.

STIRLING HORTICULTURAL SOCIETY

Continue to plant Narcissal and all other bulbs that are available, except Tulips, which should not go into the ground until October.

Canadians enjoy, these names and their deeds should not be forgotten.

When our schools opened 25 years ago this week, many of Canada's finest youngsters who had gone to school, donned uniforms and went forth into war. Many more followed in the next five years. Many hundreds died, many more were wounded and crippled. Some still bear unseen wounds which memory will never allow to heal.

To many of our returning students, no doubt the privilege of attending school is a somewhat dubious pleasure after a carefree summer. Too often, however, we forget the high and tragic cost of the privilege to attend school in a free country. Twenty-five years ago, our finest students rallied in defence of such freedom. As our schools re-open this week, let us not forget those who gave their lives so that our children can attend a free school in a free land.

Oddfellow and Rebekah Lodges Held Annual Memorial Service

Impressive Service By The Members Laurel Rebekah Lodge and Stirling Lodge

Members of Stirling Lodge No. 239, I.O.O.F., and Laurel Rebekah Lodge, No. 211, held the annual Memorial Service in honour of their departed members on Sunday afternoon. The Oddfellows assembled at the lodge hall and, led by Bro. Glenn Clarke, Marshall, paraded to the cemetery. Bros. Mac Sharp and Ralph Parks were flag bearers. A halt was called at the Cenotaph where wreaths were placed in honour of those who lost their lives in the Great Wars, by Bro. Guy Bradshaw. A minute's silence was observed and the Last Post and Reveille were sounded by Bro. Bert Jones.

On arrival at the cemetery, the Oddfellows were joined by the Rebekahs, who held their ceremony first. Noble Grand Gladys Sine, Vice-Grand Helen Hulin, Past Grand Alice Macklin and Past Grand Hilda Rose took part. Flowers were deposited on a cross by the members in honour of those departed. The names were read by Mrs. Hilda Rose and Mrs. Neva Vandervoort acted as Marshall.

For Stirling Lodge, Rec-Secretary Geo. Carlisle read the names of departed members while Chas. Carter gave the decoration charge and R. E. Fox offered the prayers. Following the ceremony, the flowers were distributed to the various graves.

Tanner's Service Station Entered

Thieves were active in the Village on Monday night when Tanner's Service Station was entered by way of a rear window. According to Ray Tanner, only a small quantity of cigarettes are missing. Police Chief C. E. Hicks is investigating.

Plainfield Defeats Johnstown

Plainfield defeated the S & D All in the first game in the best three of five series for the Bay of Quinte Y.P. Championship. Marjorie Reid pitched for the winners and Beverley Clapp hurled for the losers. Bob Smith, Don Reid and Glenn Ketcheson hit homers for Plainfield. Wayne St. Hilarie and Bruce Stickle hit homers in defeat. Stickle was ejected in the 7th in a dispute at the plate. Sheila Ray, Gary Ray and Marjorie Reid deserve mention for heads-up games.

Afternoon Tea Well Patronized

On Friday afternoon, September 11th, Mrs. Ed. Warren opened her attractive home for an afternoon tea and bake sale, sponsored by Unit Four, U.C.W. of which she is Secretary.

With Mrs. Warren to welcome the guests as they arrived, was the President, Mrs. H. Wells.

Many visited first the table where delicious-looking home baking was on display. They were served by the following ladies: Mrs. A. Bush, Mrs. F. Wood, Mrs. Ross Bush, Mrs. S. Kirkey and Mrs. P. Utman.

Mrs. J. B. Hough, assisted by Mrs. J. Thompson, had charge of the finances and reports were most gratifying. Mrs. C. Macklin, assisted by Mrs. E. Eggleton, invited the ladies to the tea room, which was prettily decorated for the occasion. Presiding at the tea table at various intervals, were Mrs. W. West, Mrs. A. Scott and Mrs. C. Lansing. Assisting in serving were Mrs. W. Camm, Mrs. Oliver Stapley, Mrs. H. Walte, Mrs. R. Hatton, Mrs. Ray Rose, Mrs. H. West and Mrs. W. N. Flindall.

Responsible for the excellent cups of tea were Mrs. G. Carlisle, Mrs. C. Davidson and Mrs. H. Bird.

Among those who assisted in preparing and arranging food were Mrs. A. Brooks, Mrs. B. Elliott, Miss Mildred White, Mrs. W. Harlow and Mrs. Russell Rupert.

Enrolled At Queen's

Bob Bell, son of Mr. and Mrs. Maurice Bell, left this week for Queen's University, Kingston, where he will enroll for his first year Honours Science course of study.

Allan Fletcher, son of Rev. and Mrs. W. G. Fletcher, also left this week for Queen's to begin his second year medical course.

Special Service At St. Andrew's

Following major repairs and redecoration, St. Andrew's Presbyterian Church, Stirling will hold an official re-opening service on Sunday, September 20th, at 11 a.m. The Rev. N. W. Hutchinson, M.A., of St. Columba Presbyterian Church, Belleville, will be the guest speaker. Special music will be contributed by the Junior and Senior Choirs for the occasion.

Field Day Proves Successful

Many weeks of earnest endeavour by members of Lower Trent Valley Fish and Game Protective Association culminated in a monster Sportsmen's Field Day on the Club grounds, near Frankford, on Sunday. A crowd estimated at near the three thousand mark was in attendance to participate in or witness one of the finest programmes of this nature ever seen in this district.

Attractions included inter-club trap shooting, open trap shooting, rifle competition (large and small), tugs of war, horseshoe competition, ladies' 22 rifle, plus wildlife display, pony rides for the kids, ladies' games, children's games, gun displays, etc.

Bloomfield Captures TVL Crown For Fourth Straight Season

Bloomfield defeated Stirling 10-2 at the local diamond on Monday night to take the Trent Valley Softball League for the fourth straight year. The 10-2 victory gave the visitors the final set in four straight games.

Bloomfield got to Stirling pitching for 10 hits — many of the extra-base variety, while Stirling got four hits for the third consecutive game.

Stirling opened the scoring in the first when Noble walked. Donohoe sacrificed and went to third on a passed ball before R. Smith hoisted a sacrifice fly to right field, with Noble scoring on the tag.

Bloomfield tied it in the second on Carl Stacey's lead-off wrong field homer. Jeffs then threw third strikes past K. Stacey, Pike and Guernsey, as did C. Stacey, getting Irvin, Foshey and Faulkner in their half of the inning.

Errors and several hits put the visitors ahead 5-1 in the third. They added another in the fourth and a pair in the fifth, to make it 9-1.

Stirling got one back in the seventh with Neal's one out single and Potts hit a routine ground ball that C. Stacey threw into left field and Neal came all the way to score.

Bloomfield got another on Ron Weese's homer in the ninth.

Jeffs started for Stirling and was relieved by Bobby Hunter in the third. Carl Stacey, DeMille, and Bubs Van Heusen hurled for the champions.

Carl Stacey with a homer and a double, Weese with a homer and a single, Ostrander and DeMille, each a triple, St. Denis and Mac Donald, a double, and a singles by Van Heusen and Pike collected the visitors' hits.

Foshey and R. Smith each had a double, while Neal and Noble had singles for the locals.

This ends Intermediate ball in Stirling for this year and it has been a good year.

Softball has come a long way in the past three years, since Bill Blakely

Rev. P. J. Hommersen Leaving Stirling

At a meeting of the Official Board of St. Paul's-Carmel United Churches, held Monday night, Rev. P. J. Hommersen tendered his resignation. Rev. Hommersen has accepted a call to Richview United Church, Etobicoke. He is planning to move around November 11th of this year.

Since coming to Stirling in February, 1961, Rev. and Mrs. Hommersen and family, have made many friends who will regret the learn of their departure.

Ladies' Trebles Tourney Here

Stirling lady bowlers sponsored a successful trebles tournament on the local greens Wednesday of last week. Commencing at 10.30 a.m., eight rinks representing Belleville, Peterborough, Trenton, Madoc and the local club, played three games. Mrs. B. Woodbeck, President, welcomed the bowlers and distributed the prizes at the conclusion of the tournament. The draw was conducted by Mrs. Woodbeck, and caretaker Ted Barnard had the greens in excellent shape.

A Trenton rink, Mrs. Rachel Ormshaw, Mrs. Pearl Frost and Mrs. Jack Coutts, skip, was high for three wins with a score of 44 plus 3. Two game winner went to a Belleville trio of Mrs. Lil Mascaros, Mrs. McIntosh, with Mrs. Grace Clapp as skip. High honours for one win went to a Trenton entry, consisting of Mrs. Mary Haker, Mrs. Pearl Farrar and Mrs. Dorothy Beane as skip.

Several members of the local club were guests of the Campbellford Club on Tuesday night at an inter-club mixed jittney. The Madoc Club was also present.

A mixed doubles tournament is scheduled to be held on the local greens on Saturday, September 26th.

Celebrate 50th Anniversary

Mr. and Mrs. William Johnston, Belleville Road, Stirling, quietly celebrated their 50th wedding anniversary on Sunday, September 13th, with a dinner party for their immediate family in the evening.

The couple was married on September 15, 1914, at a Methodist parsonage in Belleville by the Rev. W. C. Clarke. Mrs. Johnston was formerly Margaret Sharp, daughter of the late Mr. and Mrs. Peter Sharp, of Mount Pleasant, and Mr. Johnston is a son of the late Mr. and Mrs. Matthew Johnston, of Wellman's.

They have three daughters and one son: Alma, Mrs. Ivan Sime, of Eldorado; Helen, Mrs. James Bailey, of Stirling, R.R. 2; Miss Jessie Johnston and Mr. Angus Johnston, at home. There are five grandchildren.

Mr. and Mrs. Johnston have resided all their lives in the Stirling area and are well and favourably known to a wide circle of friends, who join the News-Argus in extending congratulations.

started the Stirling Juniors. Coach Bob Anderson has a young team, with nine juveniles on the squad, while Bloomfield team is an older, more experienced club with an average age of 25 or 26 years.

The addition of the veteran Bob Hunter has helped Stirling immensely and next year can very well be Stirling's year.

St. Andrew's Club Entertained

St. Andrew's Presbyterian Church Club met at the home of Mr. and Mrs. Eugene Burrell, Wright St., on Monday evening, in the form of a pot luck supper. Following the supper, Court Whist was played, topped off with coffee and cake.

The next meeting will be held at the home of Mr. and Mrs. James McIntosh, Henry St.

Leaves For Guelph

Ron Heath, son of Mr. and Mrs. Wm. Heath, Stirling, R.R. 1, left Tuesday for Guelph, where he will enroll in the fourth year course at Ontario Agricultural College.

Residents Injured In Car Accident

Two Stirling residents, Mr. and Mrs. George Barry, Green St., were injured Saturday night when their small car went out of control on No. 33 Highway, near Sager's Corners and rolled over several times. They were admitted to Trenton Memorial and have since been released. Mrs. Barry required a number of stitches to her head as she was thrown clear of the car to the pavement, while Mr. Barry has many bruises and cuts.

Attention, Mothers

Due to the fact that there are only leaders enough for one pack of Brownies, no new Brownies will be enrolled until such time as some interested persons volunteer as leaders. Phone 5-3336 or 5-2136 if willing to help with the Brownie work.

All enrolled Brownies, please register at 4 p.m. on Monday, September 21st, at the Community Hall.

Guides will please register at 7.30 p.m., September 21st, at the Community Hall, in uniform.

Would the mothers, who have not donated in response to the letter received last June, please leave their donation at St. Pierre's Store.

Funeral of John Chris. Bateman

The funeral of John Christopher (Chris) Bateman was held in Spring Brook United Church, on Saturday, September 12, and was largely attended.

Mr. Gordon Apps, lay minister, officiated.

The pallbearers were Messrs. Emerson Reid, Mac Mason, Hiram Mumby, Elwood Bateman, Don Bateman and John Bateman.

Interment was made in Mount Nebo Cemetery, Springbrook.

On Friday evening an L.O.L. memorial service was held at the Duffin Funeral Home, Stirling.

Zephyr Whitewashes Local Juveniles

Nothing went right for the Stirling Juvenile "C's" on Saturday night and they wound up on the wrong end of an 11-0 count in the first game of their O.A.S.A. semi-finals against Zephyr.

R. Lunney was on the opposition's mound and sent eighteen Stirling batters back to the bench via three strikes. Stirling only got to him for one hit, by catcher Ken Smith with a fifth inning single.

Donny Burkitt started for Stirling and got by the first two innings without mishap, before the roof fell in the third, when Zephyr exploded six runs. Jeffs took over and went the rest of the way.

R. Lunney hit the only homer of the game, a lead-off blast in the fifth.

Zephyr got to Stirling pitching for thirteen hits, five base on balls and ten Stirling errors. Burkitt fanned one, while Jeffs whiffed six.

R. Lunney had a homer and two singles, plus a walk; B. Farr, three singles; Eves, two singles and a walk; Kelland, two singles; M. Lunney, McGillivray and Case, one single for Zephyr.

R. Lunney fanned Irvin four times. Donohoe and Thompson, three times Smith twice, and Jeffs, Hagerman, Vandervoort, Faulkner, Noble and Potts, one apiece. Burkitt was the only one failing to strike-out, oddly enough — he never got a bat.

Return Game

The return game is slated for Mount Albert, Saturday night, and Coach Anderson believes that if his boys play heads-up ball, they can come home with an even series.

Cars leave at 3.30 Saturday afternoon.

School Days At River Valley

Two Teachers Engaged — Miss Kerry Blackman and Miss S. Grant — 47 Pupils

The pupils of River Valley Public School, S.S. No. 19, Sidney, are experiencing a new situation this term. To meet the requirements of the Department of Education, the school has been divided. Grades One and Two, with an enrollment of 21 pupils, are being taught in the Women's Institute kitchen recently built and attached to the main school which was erected in 1951.

For the first time in history, two teachers are engaged. Miss Kerry Blackman, of Moose Jaw, Sask., is the Principal, and Miss Sharon Grant, of Frankford, is the other teacher.

The kitchen has been equipped with seats, new lighting and blackboards. There are 47 children attending the school.

In pioneer days we are told that at one time there were 101 on the roll with an average attendance of 75. A few people still have the picture which was taken at that time. It was about the time when Mr. Chas. De Mille taught — 1892 to 1894.

To show how history often repeats itself an old register of 1865, when the school was called a "Common School" — another building on the site — showed 65 names on the roll. Perhaps that was the good old days of reading, 'riting and 'rithmick taught to the tune of the hickory stick. For many years the school was a community centre used for church, funerals, Epworth League and Literary Society. Sheds were built to accommodate the horses and walking was much in order, both for pupils and adults as there were no highways or cars.

MOTORISTS WATCH FOR CHILDREN

Once again motorists of Stirling and district are reminded of the need of exercising extreme care when driving on the streets of our village, particularly in the school area. With the opening of school last week, there are many children on the streets on their way to and from school, any of whom might dart into the street in front of a car. Children at play are apt to become careless of the dangers of motor traffic and should be reminded frequently of the rules of safety by their parents and the school teachers.

ORGANIZATIONS RESUME ACTIVITIES

September brings the autumn season and the beginning of autumn marks the resumption of activities by all the local organizations whose activities have been suspended for the summer. These bodies of interested workers have launched upon another season of labour in the hope that even bigger and better results may be obtained in the coming year. Let us hope that all these organizations may meet with much success in their fall and winter meetings.

ABOUT FRIENDSHIP

The most powerful and the most lasting friendships are usually those of the early season of our lives, when we are most susceptible of warm and affectionate impressions. The connections into which we enter in any after-period decrease in strength as our passions abate in heat; and there is not, we believe, a single instance of a vigorous friendship that ever struck root in a bosom chilled by years.

FINAL RESPONSIBILITY RESTS UPON PUBLISHER

(This is the fourth in a series of editorials explaining how a weekly newspaper functions.)

The person who has the final responsibility for any paper is the publisher. He lays down the newspaper's policy and has supervision over all departments.

The publisher's responsibility extends to every word printed in his paper. He is held responsible for all news items and editorial comments and has secondary responsibility for paid advertisements and articles. Publication of a letter over the author's name does not free a publisher from his responsibility.

The editor has the day-to-day task of carrying out the paper's policies as laid down by the publisher. All the reporters and writers work under his direction. The space and treatment and particular story receives will depend on the editor's judgement.

Broadly speaking, therefore, the publisher lays down the policy of a newspaper and the editor carries it out. However on some papers, as is the case at the News-Argus, the duties and responsibilities of the editor and publisher are combined.

Do You Remember?

TWENTY-FIVE YEARS AGO
ISSUE SEPTEMBER 14, 1939

Striking with sudden fury about 5.30 on Friday morning last, a cyclone accompanied by thunder and lightning, left a trail of damage over this village and surrounding community. Trees were uprooted, barns demolished or unroofed, telephone and hydro disrupted and residences were damaged in what is claimed to be the worst storm ever to hit this district.

Stirling Citizens' Band supplied music at the Mohawk Fair held on the Tyendinaga Indian Reserve on Wednesday afternoon.

On Wednesday evening, Constable Sam Eggleton captured a suspect wanted in Kingston.

Carmel

Mr. and Mrs. Gordon Burley, Belle-

ville, were Sunday guests of Mr. and Mrs. Harry Brown.

Misses Gladys and Helen Pye are holidaying with Mr. and Mrs. Roy Pidgeon, Toronto.

Mount Pleasant

School re-opened again with Esma Cole, of Wooler, returning to the Allan School and Miss Donaldson, the new teacher at Williams' School.

Mr. and Mrs. Cleland Reid and Shirley, of Trenton, were recent guests of Mr. and Mrs. Allan Reid.

Wellman's

Mr. and Mrs. George Watson, Glen and Craig, spent Sunday with Mr. and Mrs. Albert Bronson.

Miss Della Johnston, Belleville, spent Sunday with her parents, Mr. and Mrs. Alex Johnston.

Local and

Personal

Mr. Bob Hutton spent the week end in Toronto.

Mr. and Mrs. H. Jackson and fam-

ily, of Newmarket, were week end guests at the home of Mr. and Mrs. H. Wells.

Mrs. Anna McMaster, Susan and Dennis, spent Sunday with Mrs. Helen Nelson, Warkworth.

TO ALL RESIDENTS OF ONTARIO an announcement regarding EXTENSION OF PHYSIOTHERAPY SERVICE

On and after Monday, September 14, 1964, residents of Ontario are entitled, without charge, to medically necessary physiotherapy services received in the offices of registered physiotherapists in private practice in Ontario who participate in the extension of physiotherapy service administered by the Ontario Hospital Services Commission. The services must be prescribed by a duly qualified physician and performed by, or under the direct supervision of, a registered physiotherapist. A course of treatment may be for a maximum of three weeks unless the physician prescribes a longer period.

HOME TREATMENT

If, in the opinion of the attending physician, a patient cannot attend the physiotherapist's office, treatment in the patient's place of residence will be covered, but in such cases the physiotherapist may charge the patient, or patients, a total of \$1.00 per visit, regardless of the number of patients treated during the visit.

The main purpose of this additional service to patients is to make the most efficient use of available physiotherapy facilities. It is to be financed by Federal Health Grants and by the Province of Ontario.

Certain physiotherapy services are not available under this program. These services may be obtained through private arrangement with the physiotherapist.

ROOF SAVING IDEAS

STOP LEAKS! IN ONE COAT "INSTANT PATCH"

For Patching

Roofs - Gutters - Flashings

New 3-Ply Formula

(Patent Pending)

ASPHALT — FIBER GLASS — BRISTLE

- Exclusive three-ply formula, great strength and adhesion.
- Patch will not check, crack or pull loose.
- Brushes easily.
- Stays put, no run or sag.
- Patch outwears roof.
- Paint over, if desired.

Complete Direction on Can.

Uses

PATCHING LEAKS IN SOUND ROOFS—
Why recoat the whole roof? Instead patch the leak — and relax. Instant Patch will outwear the roof. "Patch the hole — not the whole roof".

COMPLETE ROOF JOB — If entire roof needs rebuilding, first use Instant Patch on all leaks and weak spots, before applying any roof coating — For a "DE LUXE" job, apply 1/16" coat of Instant Patch over entire roof — after patching.

GUTTERS — Patch leaks, joints, and porous areas. Use Instant Patch instead of red lead to coat the entire inside of gutters, each time house is painted.

TELEPHONE ENGINEER

By H. S. V. Gibbon, Supervising Engineer

The varied assignments of the Telephone Engineer are designed for one purpose: "To Provide Good Telephone Service". Their planning and design is the foundation for the construction and maintenance of the best telephone equipment to serve all rural, urban and business customers.

The extension of cable facilities on a county road or the conversion from a Manual to a Dial Exchange start with the planning of the telephone engineer. He is responsible for new designs under constant development to modernize telephone equipment to meet the requirements of today and tomorrow.

The engineer must co-operate with Municipal Authorities to insure that road and highway rebuilding programs proceed without interference of service to our customers.

He faces the task of providing a single line to one customer with the same determination required to install a complex communication system for the Department of National Defence. To this end, he starts by asking a customer what he wants.

COLOUR TV

The day of colour TV in Canadian homes is still around the corner, but when it comes, the Bell will be ready to play its part. Only a few weeks ago, at the Canadian National Exhibition in Toronto, RCA Victor demonstrated its colour TV equipment by operating the first closed-circuit colour TV network in Canada, and Bell facilities were used to carry the signals to the television sets located at various points throughout the fair grounds.

You may already know that the Trans-Canada Telephone System, of which the Bell is a member, carries TV from coast to coast for both the CBC and CTV networks. It's also nice to know that the transmission facilities now in use for black and white programs are already of such a high standard that they could handle colour with only minor modifications. That's worth a pat on the back, don't you think?

Have you heard about the Chinese scholar who was giving a lecture when all the lights in the room went out? He asked the people in the audience to raise their hands. As soon as they complied, the lights went on.

"This proves the wisdom of the old Chinese saying," he said: "Many hands make light work."

(Held Over From Last Week)

Mr. and Mrs. Karl Held and K. C. Jr., of Allans, Ohio, returned to their home on Tuesday after spending the past week at the Wellman brothers.

Miss Francis Crawford, of Ottawa, called on friends here on Saturday.

Mr. and Mrs. Clarence Wellman, of Havelock, visited Mrs. Jennie Wellman Saturday evening.

Guests of the Wellman family at Deerhaven Cottage on Sunday were Mr. and Mrs. Jack Jones, Marmora, Mr. and Mrs. John Anderson and Joan, Cordova, Mr. and Mrs. James Fleet, Kingston, Mr. Dave Bell, of Prescott, Mr. and Mrs. Karl Held and K. C. Jr., of Ohio.

Stirling District All-Stars Defeat Cannifton

The Stirling District Y.P. All-Stars defeated Cannifton here Tuesday night by the tune of 26-15. The All-Stars played without the services of Bonnie Visser, Eric McInroy and Lynn Mason. Linda Bateman pitched for the winners and Diane Tummison went the distance for Cannifton. Stirling meets Plainfield here on Thursday night and the All-Stars hope to have Visser, McInroy and Mason for this tilt. A Young People's

winner roast and hay ride will bring the season to a close on Saturday night.

All-Stars — Linda Bateman, Judy Bateman, Monica Georget, Ellen Redcliffe, Lois Dantford, Wanda Vance, Bob Taylor, Bruce Roth, Doug Keating, Wayne Casselman and Keith Christie.

Physiotherapy Service Extended

Physiotherapy received in the office of a practising registered physiotherapist will be available without charge to residents of Ontario on and after September 14th, 1964, according to an announcement by the Ontario Hospital Services Commission. The treatment, however, must be medically necessary, prescribed by a duly qualified physician, and received in the office of a physiotherapist who participates in the program. All registered physiotherapists in private practice in Ontario were eligible to apply before September for approval to participate.

Home Calls

In addition to physiotherapy in approved private facilities, prescribed medically necessary treatment in the patient's place of residence will be provided if, in the opinion of the attending physician, the patient cannot attend the physiotherapist's office. In such cases, the physiotherapist

may charge the patient, or patients up to \$1.00 per visit regardless of the number of patients treated.

"This coverage for private physiotherapy," stated Dr. J. B. Nelson, Chairman of the Commission, "is designed to make the most efficient use possible of physiotherapy facilities in the province. It will be financed in part," he went on, "by Federal health grants, and is available to all residents of the province, not just those who are insured under the hospital insurance plan."

Not Covered

The plan will not cover physiotherapy for:

(a) Conditions unrelated to disease or injury, such as pre-natal exercises, weight reduction or the treatment of minor muscular fatigue.

(b) Treatment not prescribed by a licensed physician.

(c) Treatment not provided by, or under the direct supervision of, a duly registered physiotherapist who participates in the program.

(d) Treatment not accepted by the Commission as being medically necessary.

The cost of the out-of-hospital physiotherapy will be shared by the Province of Ontario and the Government of Canada. The Workmen's Compensation Board will continue to pay for treatment given to its claimants. Also, a resident may elect to pay for non-prescribed treatment by

making prior arrangements with a private practising physiotherapist.

Minto

Mr. and Mrs. George Sine returned home on Thursday from their trip to the Western provinces.

Mr. and Mrs. Albert Twiddy and Mr. and Mrs. Harold Holden accompanied their daughters, Barbara and Marlene to Belleville Hospital Monday afternoon where the girls entered as nurses in training. A reception at the residence was held for parents and girls and tea was served.

In Memoriam

DURRELL — In loving memory of Dad (Edgar Durrell) who passed away September 20th, 1947.

Seventeen years have passed, but still we miss him, Never shall his memory fade: Loving thoughts will always linger, Round the grave where he is laid.

— Remembered by son, Gordon, 24-1p

Jennie and Robert Durrell.

MEIKLEJOHN — In loving memory of a dear husband, father and brother, Sanford G. Meiklejohn, who passed away September 26th, 1963.

The world may change from year to year,

And friends from day to day,

But never will the one we loved,

From memory pass away.

— Always remembered by his wife, family and brother, Roger. 24-1p

McINTOSH — In loving memory of Mrs. Sheldon McIntosh, who passed away September 18th, 1963.

Sweet memories will linger forever; Time cannot change them, it's true; Years that may come cannot sever Our loving remembrance of you.

— Ever remembered by Sheldon and family. 24-1p

SALISBURY — In loving memory of a dear wife and mother, Mrs. Edgar Salisbury, who passed away, September 21st, 1963.

She is gone but not forgotten

And, as dawn's another year,

In our lonely hours of thinking,

Thoughts of her are always near.

Days of sadness will come o'er us.

Many think the wound is healed,

But they little know the sorrow

That lies in the heart concealed.

— Ever remembered by Ed. and Jean. 24-1

SHARPE — In loving memory of Leonard Sharpe, who passed away September 19, 1963.

Beautiful memories are treasured

ever

Of happy days when we were to-

gether.

— Remembered by his wife, Edna, and his family. 24-1p

CARDS OF THANKS

I wish to sincerely thank my neighbours, relatives and friends for cards, fruit, flowers and calls during my stay in Belleville General Hospital.

24-1p Will Donald

To our kind friends and neighbours of West Huntington a very sincere "thank you" for your thoughtful gifts and efforts in making our recent shower a very happy event.

24-1p Reg. and Pearl McCurdy

We would like to take this opportunity to thank our friends and neighbours for our lovely gift of a bridge set and also to thank you for Linda's and Sandra's cups and saucers. Again we say "thank you".

Don and Norma,

Linda and Sandra Drewry

24-1

We wish to extend to our friends and neighbours of the Bethel Community our warmest thanks for the lovely gifts of a swivel rocking chair, vanity chair and hymn book, which were recently presented to us. There is so much that binds us to you in Christian love. We pray God may abundantly bless you.

24-1 Eva and Margaret Mulheron

The family of the late Earl McAdam wish to express their sincere appreciation to the relatives, friends and neighbors for their expressions of sympathy, the floral tributes, cards and donation to Heart Foundation; to Rev. W. G. Fletcher for his sincere words of consolation and the staff of Duffin's Funeral Home at the recent sudden passing of a loving husband and father.

24-1p

I wish to express my thanks to everyone who remembered me with cards, flowers, treats and personal calls during my stay in the Belleville Hospital; and to Mrs. Ken Ray, who looked after my family, to Reverend Rixnaalda, and to Rev. Hommersen. Special thanks to Dr. Wm. Hipwell, Dr. Williamson and the nurses of 3rd Floor East. I sincerely say "thank you".

24-1p Willy de Jong

We wish to express sincere appreciation to the community of Bonarlaw, friends, neighbours and relatives, for the splendid gifts received when moving to our new residence in Pictou.

In moving to Bonarlaw two years ago, we had hoped to make this our permanent home, however, time changes many things. May we again say "thank you" and the best of everything to the people of Bonarlaw Grace and Tom Heath and family

River Valley W.I.

Mrs. Clarence Chard was hostess on Thursday, September 3rd, for River Valley Women's Institute. Two

visitors, several children and 21 members were in attendance. Mrs. Vern on Harry welcomed the visitors and conducted the business. Mrs. Ernest Carr and Mrs. J. R. Donohoe presented their reports.

The correspondence included three letters of thanks, and a message regarding the Safety Project. Mrs. Jack Bush read an article on the value of seat belts in case of an accident.

Mrs. Roy Tucker gave a descriptive account of the Calgary Food Fair and told how deserving university students are provided with scholarships to further their education.

Mrs. Harry Corby gave a record of current events and Mrs. Kenneth Myers outlined agriculture.

Mayor Whitton

Mrs. Percy MacMullen spoke briefly regarding plans for a gift to Abbot's Leigh W.I. in Bristol, England. This is the link Institute which was started in 1945 following World War II. For public relations, Mrs. MacMullen read an excerpt from the speech of Mayor Charlotte Whitton when she gave an address at the Ottawa Exhibition on August 29th, commemorating the 100th anniversary of Ontario cheese industry.

Mayor Whitton told how her pat-

ernal grandparents, James and Elizabeth Hazelton, emigrated from England in 1840 and settled in Northumberland County where they helped to establish a cheese making enterprise. Black Diamond

In 1874, a cheese factory was built at Wellman's Corners in Rawdon township. Five years later James Whitton became manager and renamed it Plum Grove factory. The mayor said the product of this company later became the Black Diamond cheese of today.

Mrs. Roy Tucker gave the A.C.W.W. message and told of a visit to the area vice president of southern Europe to rural women's circles. In this land each farmer has six acres of land where agricultural conditions are hard and primitive. The whole village clubs together to purchase up-to-date machinery. Everywhere Mrs. John Cornell, visited she found great friendliness and she stressed what a privilege it was to belong to the A.C.W.W. organization.

Mrs. George Heasman had a large display of articles from the Tweedsmuir history book, and the scrap book of ancient clippings was also in evidence.

Millinery Course

A committee was appointed to arrange for the millinery course on October 5-7 in St. Paul's United Church educational room. The area results (Continued on page eight)

LOANS FOR STUDENTS Guaranteed by the Government of Canada

Purpose: The purpose of the Canada Student Loans Act is to facilitate bank loans for students who need financial help to continue full-time studies beyond secondary school level at Universities and other educational institutions.

Who can apply: Any Canadian citizen, or anyone resident in Canada for one year who intends to live in Canada after completion of studies, may apply for a loan under the Act. An applicant must be enrolled or intend to enroll as a full-time student at an educational institution approved by provincial authorities, and must meet the standards of academic qualification and financial need established by the student loan authority in the Province in which he applies.

Amount of loans: Depending upon individual circumstances and financial need, loans up to \$1,000 a year may be made, with a maximum of \$5,000 during a student's academic career. The Provincial Authority receiving applications and determining eligibility will issue a certificate to each eligible student stating the maximum amount the student may borrow. This Certificate of Eligibility is required before a student can arrange a Government Guaranteed Student Loan with the bank of his choice.

Repayment: Interest-Free and Delayed Repayment Period
To assist students, the interest on loans during the period a student continues full-time studies, and for six months thereafter, will be paid by the Government of Canada. During this same period no repayment of principal is required, nor will any service charge or fee be payable by the student.

Method of Repayment
Borrowers will begin to pay interest and to repay loans six months after they cease to be full-time students. The current interest rate to students is 5% per annum. Normally the repayment period will be five to ten years. Borrowers have the right to repay loans in part or in full at any time without penalty.

Life Insured
In the event of the death of a borrower responsibility for repayment of the loans will be assumed by the Government of Canada.

Where to apply: A list of approved educational institutions in Ontario is contained in a brochure now available at banks, universities and other educational institutions. Ontario residents planning to attend one of these institutions should apply directly to that institution for a Certificate of Eligibility.

Ontario residents planning to study in other provinces or countries should direct enquiries to: Department of University Affairs, Suite 600, 344 Bloor Street West, Toronto.

The above notes are based upon the Canada Student Loans Act 1964 and are for reference only. All applications and loans are subject to the full terms and conditions of the Act.

MR. AND MRS. EDMUND DELBERT FLEMING

Fleming -- Edwards Wedding

Rev. R. H. Stewart, of Marmora, officiated at the marriage ceremony of Deanna Mae Edwards, daughter of Mr. and Mrs. Ira P. Edward, R.R. 1, Bonarlaw, to Edmund Delbert Fleming, son of Mr. and Mrs. D. A. Fleming, of Springbrook, in St. Mark's Anglican Church, Bonarlaw, on Saturday, August 22nd, 1964.

Colourful bouquets of gladioli adorned the altar, while white satin bows designated the guest pews.

Mrs. Gwen Woodcock, of Peterborough, provided traditional wedding music and accompanied the soloist, Mr. Jack Grant, also of Peterborough, in his vocal renditions.

The bride, given in marriage by her father, wore a floor-length gown of bridal taffeta, featuring a fitted bodice with semiscoop neckline edged with appliques of lace daintily re-

broidered with seed pearls. The bouffant skirt was highlighted at intervals with roses on the back of the skirt, giving a bustle effect. A four-tier bouffant veil flowed from a pearl studded tiara and she carried a bouquet of mauve throated white orchids encircled with stephanotis.

Mrs. Ted Giannini, of Espanola, cousin of the bride, as matron of honour and the bridesmaids, Miss Carol Edwards, of Peterborough, cousin of the bride, Mrs. Alex Fleming, Belleville, Miss Joyce McGee, Harold R.R. 1, and the junior bridesmaid, Miss Brenda Edwards, sister of the bride were all similarly attired in blue organza over taffeta dresses, featuring bell skirts with appliques of roses. They wore matching headdresses in orange blossom design and white gloves.

Mr. Fred Palmer, of Peterborough, attended the bridegroom, while Mr. Jack Davis, of Maple Leaf, Mr. Alex Fleming, brother of the bridegroom,

and Mr. Gary Mason, of Spring Brook, were the ushers.

The reception was held in the Stirling L.O.O.F. Hall at which time members of the Rebekah Lodge served a hot turkey dinner. The bride's table was centred with a three-tier white wedding cake with pink and white decor. White and blue candles and the bridal attendants' bouquets completed the attractive nuptial setting.

Receiving the guests was the bride's mother wearing a pink lace suit, white accessories and a corsage of white cymbidium orchids. The bridegroom's mother assisted, dressed in a sapphire blue brocade sheath with matching shoes, pink accessories and a corsage of pink cymbidium orchids.

For the honeymoon trip to the Penn Hills resort in the Pocono Mountains of Pennsylvania, the bride chose a pink two-piece knit dress, white accessories and a corsage of white orchids.

Guests were present from Stirling, Belleville, Madoc, Peterborough, Toronto, Bancroft, Spring Brook, Foxboro, Detroit and Bonarlaw.

Previous to the marriage the bride was honoured at a miscellaneous shower at the home of Mrs. S. H. Millard with Mrs. Terry Boyle, of Belleville, as hostess; at a miscellaneous shower at the home of Mrs. James Palmer, of Stirling; at a shower held at the home of Mrs. S. J. McArthur, of Stirling, with Miss Jean McArthur as hostess and Miss Joyce McGee as co-hostess, and a shower was held at Rednersville by the girls of the Ontario Hydro. A stag party was held for the bridegroom at the Bona Vista summer resort at which time the honoured guest was presented with a purse of money.

Mr. and Mrs. Fleming will reside at 15 Wright Street, Stirling.

Rylstone Women's Institute

Mrs. Ernest Irwin entertained the ladies of Rylstone Women's Institute at her cottage near Middle Falls, Campbellford. There was a fair attendance of members and several visitors. Mrs. Stanley Kerr presided in the absence of the president, Mrs. E. L. Anderson. The roll call was answered by "Compensations of Farming."

There has been a short course arranged for Institute members and their neighbours to be held on November 5th for on day only from 10 a.m. to 4 p.m.

The members will supply a pot luck dinner and ladies of the surrounding community will be invited. There will be a small fee charged. The short course is "Choosing and Using Fabrics" and will be held in the S.S. Room of Zion Church.

Mrs. Stanley Kerr was delegated to attend the Institute Area Convention in Belleville, with Mrs. E. Irwin as alternate.

Mr. Ralph Banbury, Northumberland County Agricultural Representative, was present and gave a splendid talk on "The People, Industries, and History of Northumberland". It is interesting to note, at this point, that Mr. Banbury, who is leaving the county, graduated 35 years ago and spent 22 years in Northumberland as Agricultural Representative. He has seen many changes and improvements in the work of the Department, especially the Service Centre at Brighton. Free bulletins on home canning and place mats, decorated with Elmer Elephant's Safety Rules were distributed to the ladies. Mr. Banbury was presented with a gift

from the Institute.

Mrs. Don Kerr gave a reading, "As You Go Through Life". Mrs. Carl Field conducted an "Adjective Contest" and Mrs. Ernest Irwin gave a demonstration on wood craft. Many were amazed at the creation of objects of nature, found in the Virgin Pines found in our own local area. The National Anthem closed the meeting and several pictures were

taken, after which lunch was served by the hostess and lunch committee.

The October meeting will be held at the home of Mrs. Don Kerr on Wednesday evening, October 7th.

QUESTIONS about the CANADA STUDENT LOANS PLAN?

...talk to the B of M NOW

Details of the new Canada Student Loans Plan have been released. And your local branch of the Bank of Montreal has the information on how to apply.

The Plan will provide bank loans to students who need financial help for full-time studies towards a degree or diploma at universities or other educational institutions above high-school level. No security is required and repayment will not begin until six months after you graduate, or discontinue your studies. Up to that time, all interest will be paid by the Federal Government.

In a recent statement on the Plan, G. Arnold Hart, President of the Bank of Montreal said, "Support of education has long been an established principle of the B of M. Any practical measure that extends the educational horizons of young Canadians will always find a ready, sympathetic response from Canada's first bank".

If you'd like to learn more about this new Plan, call on the Manager of your local branch of the B of M. He has all the details and he can give you a folder on the subject. Why not see him now?

Mr. Kellar was a member of Fuller United Church. He was a good friend and neighbour and will be missed from his place in the home, the Church and the community.

The funeral was held on Monday afternoon, September from the Duffin Funeral Home, Stirling, at 2 p.m., and was conducted by Mr. Kenneth Stewart, Buckhorn, Ont.

During the service, Mrs. Glen Brooks, Stirling, rendered a solo, "This World Is Not My Home", accompanied by Mrs. Wm. Fitchett.

The pallbearers were Borden Redcliffe, James Mitta, Leo McAvoy, Bert Post, John Kerby and Charles Irvine. Interment United Church Cemetery, Moira.

**Autumn Meeting
U.C.W. St. Paul's**

Gathering for their first meeting following the summer months, members of Unit Four turned out in goodly numbers on Tuesday, September 8th.

The President, Mrs. H. Wells, opened the meeting with gracious words of welcome and prayer.

Worship
Mrs. A. Bush took charge of the worship service, leading in responsive reading of 743 from the hymnary. Mrs. W. Harlow read the scripture lesson with meditation thereon by Mrs. S. Kirkey. Prayer by Mrs. E. Warren closed the devotional service.

Roll was called by Mrs. A. Brooks. The minutes were read by Mrs. E. Warren and approved as was the financial report by the treasurer, Mrs. J. B. Hough. The birthday box was much in evidence. Supply Secretary, Mrs. M. Aythart, reported 335 lbs. of good used clothing had been packed for the bales in Toronto.

Mrs. D. Luery said 9 cards had been mailed to sick and bereaved and 4 acknowledgments had been received. Thirty-five calls were made. Mrs. Wood and Mrs. C. Lansing were named on the visiting team for September. Representing Mrs. Flindall, the report of Bazaar plans were given by Mrs. W. Camm. Mrs. M. Bell was named as representative on the decorating committee. Mrs. Alex Bush was asked to replace Mrs. Beatty on the social committee.

An invitation was read from Salem to their tea and bake sale in October, the guest speaker being Mrs. E. Sine.

The women were asked to interest themselves in the "Question and Answer" period. Questions are to be handed in previously to Mrs. J. Bush.

Study
Mrs. A. Brooks was then asked to present the study which was based on "The Protestant Church in Assam, India."

The description of the Christian Church in India might begin with

that in Kerall which lies in the extreme South of India and end with Assam in the extreme North. Historically, Kerall is oldest, while in Assam are the younger churches.

The Christians in both areas manifest a great interest in evangelism outside their own area and this is truly the mark of the real Christian church.

Assam is said to be noted for tea, bamboo and Baptists for the first permanent mission in Assam was established by the American Baptists in 1836 and is growing and expanding at a surprising rate. The Protestant Church in Assam claims a constituency of at least one million persons, but the majority are Hindus or Moslems. What is needed is top leadership to widen horizons and lead the church wisely in these days of opportunity. The National Christian Council and the Serampore College are attempting to help meet this great need.

Closing

At the conclusion of the study period, Mrs. Wells closed the meeting.

The hostess, Mrs. S. Kirkey and assistant served dainty refreshments. Thanks for the splendid meeting and social hour was expressed by Mrs. S. Elliott.

River Valley W.I.

tions were read and discussed and the delegates will vote accordingly.

The October meeting will be held at the River Valley school house, on Saturday evening, October 2nd. The guest speaker will be John Svoboda, Jr., a student at Albert College, Belleville, who recently made a pilgrimage to the United Nations. The meeting is open to the public and the ladies are asked to bring lunch.

Mrs. Roy Bush presided over the program and read an ancestral poem. Mrs. Charles Wilson read a selection pertaining to school days.

Guest Speaker
Mrs. Arthur Pyear was the guest speaker and gave a vivid picture of the history of Glen Ross.

She traced Glen Ross from the first records in 1615 when Champlain and the Huron Indians travelled to the Trent River waterway to the Bay of Quinte. There are no further records until 1794 when the archives of Canada contain records of the first improvement of Chisholm's Rapids now called Glen Ross.

The story is told that in 1859 Sir Charles Tupper paid a visit to the Armstrong cottage and then the place was called Tupperville.

In 1885 Alexander Chisholm registered the north side of the Trent as Chisholm's and in 1859 Clement Armstrong registered the south side of the river Tupperville.

Early Years
The streets were laid out east and west and there was an iron foundry, a lime kiln, a flour mill and woolen mill, all active for several years.

In 1913, the saw mill and grist mill were demolished and local farmers purchased the timber to build barns. Somewhere between 1880 and 1890 Glen Ross post office was built and this was discontinued when rural mail delivery was enacted.

The Glen Ross School was built in 1873 and Carmel Methodist Church in 1875. Robert Armstrong died in 1856 and both he and his wife, Betty, are buried in Bayside cemetery. Mrs. Pyear read the epitaphs on the tomb-

Tax Bill

Mrs. Pyear displayed tax bills, school books, Gage's map geography of 1888, the Ontario Fish and Game laws of 1894 and numerous items of bygone days. She told of many incidents that had been handed down from generation to generation.

At one time it was planned that Glen Ross would be a residential centre and a holiday attraction. The Trent Valley canal was built in 1909 and the first lockmaster was appointed in 1918. The address contained a wealth of information and the speaker hoped to get more particulars at a later date.

Mrs. John Boswick voiced appreciative thanks for the message and on behalf of the historical group she made the presentation of a small gift as a memento of the occasion.

Each of the ladies present spoke briefly regarding pioneer mothers and grandmothers, and many interesting items were disclosed. One lady displayed a picture of how women did their washing in days gone by.

Several members of the historical group gave items from the Tweedsmuir history book, which included the history of River Valley school and items from an old cook book.

Refreshments were served and Mrs. Jack Bush extended thanks

Carmel United Church Anniversary Services, Sunday, September 27th

SERVICES 11.00 A.M. AND 7.30 P.M. — GUEST SPEAKER, REV. E. C. KELLOWAY, B.A., OF TRINITY UNITED CHURCH, COBOURG, AT BOTH SERVICES

Re-Opening Service At St. Andrew's Presbyterian Church Well Attended

Rev. N. W. Hutchinson, Minister of St. Andrew's Presbyterian Church, was Guest Speaker

The official re-opening service of St. Andrew's Presbyterian Church, Stirling, was held on Sunday, September 20th, following major repairs which were completed during the summer. Rev. N. W. Hutchinson, of St. Columbia Presbyterian Church, of Belleville, was guest minister.

Rev. Hutchinson congratulated the congregation on their efforts to beautify their church and brought greetings from his Kirk Session, and also read a letter of congratulations from Rev. F. F. Downing on behalf of his Vestry Council and the congregation of St. John's Anglican Church.

With Mrs. H. A. Morrow at the console, special music was provided by the Junior and Senior Chorus. The guest soloist, Mrs. Walter Warren, sang, "How Lovely Are Thy Dwellings".

Rev. Hutchinson spoke on the history of the church and the great legacy we have as a Christian Church — "the freedom to worship". Yet what are we doing with this freedom? Do we always take advantage of it — Or do we go to church when it is convenient. Are we always too tired on Sunday? Or do we have guests and can't disturb them? The question comes to mind: "Are we robbing God?" So often it is not what we do but what we do not do that causes the greater sin. When we are given His Word, we seldom share it and, therefore, become stagnant like the Dead Sea, which neither gives nor receives. So many times we make surveys and analyse our Church and know its problems, yet make no effort to correct them. Remember that God wants to share His love with us. Perhaps today, as we re-dedicate our Church, we should re-dedicate our lives to Him.

John McGee, son of Mr. and Mrs. Laird McGee, R.R. 1, Harold, left on September 18th to attend the Ontario Agricultural College, Guelph. He will take the four-year course.

My Pilgrimage To The United Nations This Past Summer

Editor's Note — This is the final installment written by John Svo-boda, Jr., on his recent Pilgrimage to the United Nations.

Our homeward journey took us through many of the sites held most dear to the American heart. The first stop was made at Valley Forge Park, the "on-the-lines" home of President George Washington. At Valley Forge, fields stretch for miles around in one of the most well-preserved historic battlefields in the U.S.A. On these very fields, Washington's troops were trained, and on these same fields, they fought and died. The log huts and bronze monuments lend this site a truly "ancient air" and we really enjoyed roaming through the yards and fields through which Washington himself had once roamed.

Philadelphia is truly a living museum of American history. On a little street, lined with old, narrow houses, stands the Ivy-coloured Betsy Ross House where the first Stars and Stripes were sewn together. Not far away is Christ Church, the place of worship of several forefathers of America. Many pews still bear names of families for which they were first reserved, such as Washington, Jefferson, Franklin, and many more. Not least among points of interest was Independence Hall, housing the Liberty Bell and the chambers in which the Constitution, Declaration of Independence, and other American documents were signed. The buildings nearby were once used as Senate and Congress Houses, and have been furnished to represent the originals. On display for all to see and touch is the huge cracked Liberty Bell; this, more than any other symbol, repre-

sents to the Americans their privilege of democracy, and the Bell is forever surrounded by milling people.

The famous Longwood Gardens were among the most beautiful attractions we visited. Although the original gardens were once the estate of Mr. DuPont, they have been donated to the American people; in the formal gardens can be found all of the latest strains of roses, mosses, shrubs and grasses. The hedges are clipped into grotesque and beautiful shapes and fountains play around the crystal conservatory. Ranging over the acres of well-tended gardens are specimens of every plant in the world and at night, chimes and concert music float over the scented air.

On Sunday morning, our busload attended services in the Washington Cathedral — a medieval-type building still under construction. After church we embarked on the most interesting and thrilling tour of our whole trip.

We first crossed the Virginia border and toured Mount Vernon, the ancestral Washington mansion. The main house is surrounded by at least ten outbuildings, each as grand as the mansion itself, and all these are museums of the Washington era. The tomb of George and Martha Washington is set in the woods below the estate, and most of us made a pilgrimage to the resting place of the first President.

A more moving pilgrimage was the one made to the resting place of John F. Kennedy, at Arlington. Two never-ending streams of mourners still stream past the grave site, and it is very difficult to get a close look at the plot. However, we members of

Free Fire Inspection Available To Residents

On Monday, October 5th, members of the Stirling Volunteer Fire Department are sponsoring a safety check of the residences and places of business in the Village. This is one of several projects planned for Fire Prevention Week by the Brigade.

Citizens are urged to take advantage of this free check for fire hazards by qualified fire insurance inspectors. This inspection is entirely voluntary and Fire Chief Graham Mouck points out that home owners are under no obligation whatsoever. You may have your home or business included in the list of inspections by telephoning Fire Chief Mouck at EX 5-2473 or by contacting any member of the Fire Department. Remember! Seven out of ten fires occur in the home. Have yours checked and make it safe for your family.

Fire Prevention Week is October 4th to 10th, when Canadians from coast to coast will be asked to think about fire and the appalling loss of life and property which follows in its wake.

Don't forget the date of the free inspection, Monday, October 5th, and phone Chief Mouck today to have your name placed on the list.

Joins Air Force

Albert Earl Lawes, son of Mr. and Mrs. Albert Lawes, John St., has been accepted in the Royal Canadian Air Force. He will be leaving on Sunday for St. Jean's, Quebec, to begin his ten weeks' basic training.

Rev. Fred Joblin Speaker At 95th Anniversary Wellman's Church

On Sunday, September 20th, Wellman's United Church observed their 95th Anniversary with almost capacity audiences at both services.

Rev. Fred H. Joblin, B.A., B.D., Minister of First United Church, Port Credit, gave two very impressive sermons. Rev. Joblin was a Stirling boy, whose father, Rev. Fred G. Joblin, preached on the Rawdon Circuit for several years.

Mrs. Craig Watson was pianist and the choir offered appropriate music under the leadership of Mrs. Gerald Clancy.

The Prelude to the morning service, played by Mrs. Watson, was "Nearer My God To Thee", Mason, Rev. W. G. Fletcher, B.A., minister of Rawdon Circuit, gave the Call to Worship. The first hymn sung was, "How Lovely Is Thy Dwelling Place", after which Psalm LXXXIV was read responsively. Rev. Joblin read from the Bible, Zachariah 11:3-17 and Matthew 10:29-31 and Rev. Fletcher offered prayer.

Special Music
The choir, in the morning, rendered two anthems, "Calm As The Peaceful Water", Martens, and "Dwell With Thy People", Carleton, with Misses Carol Seeley, Janette Dracup and Marilyn White taking a special part in the latter. The other hymns used in the morning were, "I Love Thy Kingdom, Lord" and "A Charge To Keep I Have". Mrs. Watson used for the offertory, "Just For To-Day", Baldwin and Festival March, Stickles, for the postlude.

Rev. F. H. Joblin
Guest Speaker

In his opening remarks, Rev. Joblin did a bit of reminiscing, expressed his appreciation for being invited to preach for this anniversary and brought greetings from his father. It had been over 30 years since Rev. Joblin had been at Wellman's.

In the morning, Rev. Joblin chose for his sermon, "Life's Lasting Value", taking two texts from his Bible lesson: (1) Give me my price and (2) Ye are of more value than many sparrows. Rev. Joblin spoke of the sense of values of today. It seems as though everyone is trying to see how much they can get for their own enjoyment, instead of how much they can give towards the enjoyment of others. Some people talk a lot, but action is what is needed. He gave an

Harvest Thanksgiving Service At St. John's

A large congregation attended the Harvest Thanksgiving Service at St. John's Anglican Church on Sunday morning. The Church was decorated with grain, fruits, vegetables and flowers.

The service was conducted by the Rector, and the lessons read by Messrs. Frank, Harding and Graham Mouck, who are Licensed Lay Readers of the Diocese of Ontario. The sermon was preached by the Bishop of Ontario, the Right Rev. K. C. Evans.

The Bishop spoke on the Collect for the Autumn Ember Days, pointing out that Jesus was, for the most part of His adult life, a labouring man, thereby hallowing man's labour. For the follower of Jesus, there were three elements in work: Pride in their work; Just reward for their labour, and the joy of providing not only for his own needs, but also for those who need our help, and in doing so, serving Christ.

The Rev. F. A. Crook, Honorary Assistant at St. John's, acted as Chaplain to the Bishop. The choir director and organist was Miss Helen Morrow.

Engagement

Mr. and Mrs. Stuart McArthur, Stirling, wish to announce the engagement of their daughter, Joan Elizabeth, to Mr. David William Sager, son of Mr. and Mrs. Jack Sager, of R.R. 4, Stirling. Marriage to take place on Saturday, October 24th, at St. John's Anglican Church, Stirling.

At Home

Mrs. Gordon Bailey, 95 Front Street, Stirling, will be at home to friends of Miss Carole Burgess on Saturday, October 3rd, between the hours of 2.30 and 5.30 p.m.

Bonarlaw Combines Bantam Champs

Bonarlaw Bantams marched to the Bantam Championship in two landslide victories over Stirling in games played at the local diamond on Friday and Monday nights.

Bonarlaw took the first game 17-2 with Wayne Casselman pitching the victory and walked off with a 16-7 victory and the championship on Monday night. Casselman started for Bonarlaw, relieved by Wellman in the third. Brian and Robert Cooke hurried for Stirling. Ross McIntosh homered twice for Stirling and Ray Wellman once for Bonarlaw. Wellman played a stand-out game for Bonarlaw as did Earl McFaul, playing with a severe knee injury. Robert Bastedo and McIntosh played mentionable games in defeat.

Members of the winning team: Carl Atkins, ss; Wayne Casselman, p; Paul Embury, lf; Dennis Finch, 2b; Earl McFaul, c; Jack Rathwell, 3b; Grant Ray, 1b; Brian Thomson, rf; Ray Wellman, 3b; subs, Frank O'Shea, Gary Bateman; coach, Ralph Wellman.

Zephyr Eliminates Juveniles In Two Straight Games

Stirling Juveniles bowed out of their O.A.S.A. Juvenile "C" play downs Saturday night by dropping a 3-0 decision to Zephyr at a game played in Mount Albert. Stirling dropped the first game of the series 11-0 the previous Saturday.

Richie Lunney, who pitched a one-hitter in the first game, was on the rubber for the winners, but this time Stirling got to him for five hits. He fanned thirteen, compared to eighteen in the first game.

Southpaw Howard Jeffs pitched an extremely good game for the locals. He whiffed ten and walked one while giving up six hits.

Zephyr scored one run in the fourth when Faulkner dropped B. Farr's fly. Farr wound up on second and Richie Lunney sacrificed before Walker slapped a single to centre, scoring Farr.

Zephyr played "two more" in the sixth when Milt Lunney got one on an infield hit and rode home on Eves' double. B. Farr continued the rally singing, but was picked off attempting to stretch it.

Ken Smith again foiled Lunney's no-hitter and Donohoe, with a single, Noble and Vandervoort, with bunt singles, and Potts with a double, followed suit.

Eves had a double for Zephyr Walker a pair of singles, and M. Lunney, B. Farr and Kelland, one apiece. A hassle over uniforms developed in the third inning when the plate umpire ordered Jeffs to change his pants to a matching green uniform. Coach Anderson hotly protested that there was no ruling covering this matter and that only sweaters were essential. Then Burkitt, who had blue softball trousers and Noble, who was clad in grey, were ordered to change. Stirling, who had no more uniforms, argued with the umpire for nearly twenty minutes before play resumed.

This spells final for softball in the local district this year and Stirling has made a good impression with a "never say die" attitude and the boys gave all they had to attempt to be the best. Hat's off to the juveniles.

And now it appears that this reporter (Bob Taylor) is out of a job until hockey arrives this winter.

Stirling Team:

John Noble, ss; Doug. Potts, 3b; Bob Donohoe, 2b; Doug. Irvin, 1b; Ken Smith, c; Outfielders — Robert Vandervoort, Gary Thomson, Andy Faulkner, Grant Hagerman and Allan Wrightman; Pitchers — Howard Jeffs and Donny Burkitt.

Arena Committee Questionnaire

Seek Expression of Public Support — Questionnaire To Be Mailed Next Week

The Stirling and District Arena Committee seek an expression of public support for better arena facilities. How many people are interested and how many will support the Committee? Do the citizens of this district want better facilities for the enjoyment of winter sports such as skating, hockey and curling?

A brief questionnaire will be sent to all district residents next week. If you support the Arena Committee please indicate that support by completing and returning the question sheet. If only a small number of returns are received, the Committee can only conclude that there is not enough public interest and, therefore, there would be no use continuing. If good public support is indicated, the Committee will proceed at once to start active work.

The Arena Committee realizes that a new arena would be ideal. Is there enough public interest and support to raise an estimated \$75,000.00? Others feel that with reasonable improvements, our present arena can be made suitable. If so, is there enough support to raise an estimated \$25,000.00 for this proposal?

The final decision of the Arena Committee will depend greatly on the public response to the questionnaire to be mailed this coming week. If you are interested, and if you support either of the two proposals, please complete and return your questionnaire before October 5th. The lack of sufficient replies can only indicate that you do not favour any action to improve arena conditions.

On Soil And Land Use Tour

Jim Thompson, son of Mr. and Mrs. Stan Thompson, Harold, was chosen as the delegate from Hastings County for the "Soil and Land Use Tour". This tour is sponsored by the Ontario Department of Agriculture and Lake Ontario Development Association. Gary Fox, Bloomfield, representative of Prince Edward County, accompanied Jim to Guelph on Monday, where the tour began.

Winners Of Contest At Noble's

Winners in the "Count-the-Cartidges" contest drawn at Noble's Drug Store on Wednesday are as follows: 1st prize, pen and pencil, Bruce Woodbeck, Stirling; 2nd prize, pen and pencil, Karen Kornahan, Whitby; 3rd prize, pen, Bernard Wood, Stirling. There were four correct answers (250) with only three prizes awarded. These winners will now be eligible for the grand prizes. The draw was made by R. L. Hulin.

Mr. and Mrs. Alf Dault, Toronto, spent the week end with her mother, Mrs. J. Donohoe.

Miss Muriel McKee, R.N., of Toronto, spent the week end at her home here.

Mount Pleasant

Mr. and Mrs. Wilfred Sine and Miss Muriel Sine attended a shower for Mr. and Mrs. Richard Clements at the home of Mr. and Mrs. Freeman Sine. Mr. Will Johnston was chairman. Numbers were given by Messrs. Frank Harding and Harvey Couch.

The annual Rally Day Service was held at Mount Pleasant Church on Sunday morning. Rev. J. E. Decker took charge of the service.

Sidney Council

A by-law to transfer 50 acres of Township property to the Bata Shoe Co. and one granting a fixed assessment to the said Company were passed through their various readings at the September meeting of Council.

St. Andrew's Women of the Church

St. Andrew's Women of the Church met at the home of the President, Mrs. J. Johnston, with a large attendance. The president opened the starting of the Fall meetings with a poem and welcoming remarks, followed by the Scripture, by Mrs. Ken Ray, and prayer in unison.

The bales is to be packed and clothing for a six-year-old is to be brought in as soon as possible.

Reports were given from all the committees. The decorating committee reported the church completed.

Several cards were signed by all members present to send to the shut-ins. If there are any sick or shut-ins unknown, please report to Mrs. B. Cook.

Mrs. Dodds gave a review of the Study Book, with Mrs. W. Rodgers as missionary, Mrs. B. Cook as secretary, Mrs. R. Eggleston as Christian Indian, Mrs. G. Haggerty as tourist, taking part, each describing her part as it is seen in India. This was very interesting and gave a clear description of the work the church is doing in the far East.

Mrs. D. Fargy convened the remainder of the meeting. Mrs. Foster and Mrs. H. McGee each gave an interesting reading.

The meeting closed with the benediction. The convenor, hostess and assistants served lunch and a social half hour enjoyed.

There are four Indian Reservations in the Lake Ontario Region, with some 2,800 inhabitants.

Rawdon Y.P.U. Met Grace St. United Church at Softball

A lovely autumn afternoon and the Napanee ball park made a perfect setting for a softball game on Sunday afternoon, September 13th, between Rawdon Y.P.U. and Grace St. United Church teams.

Rawdon took the scoring lead, which was 10-2 at the end of the 4th inning, but Napanee began to show its colours and tied the game in the 6th inning. In the 7th inning, Jim Johnston for Rawdon, batted a homer, with a runner ahead of him, bringing Rawdon out to a 13-12 lead. At the end of the 9th inning the score was 14-12 for Rawdon with Dave Tack up to bat for Napanee. Napanee had a runner on second and third base when Tack struck a far out ball, which had all the appearances of a home run, which would have given Napanee the edge, but Betty McAdam came in under the ball for a sensational catch, leaving Rawdon with the 14-12 lead.

This game proved very interesting with Rawdon getting 5 homers, 2 to Lyle Couch, 1 to Ken McConnell, 1 to Calvin Sharpe and 1 to Jim Johnston. Napanee boasted only 1 home run by their left fielder.

Another interesting feature of the game was the fact that the pitching mounds were held down by sisters. Southpaw Nancy Tompkins displayed her usual pitching ability for Rawdon, giving only 2 walks in 9 innings. Nancy's sister, Janet Rose, right hand to the ball, was on the mound

Martin -- Andrews Wedding

The Gospel Chapel, Rylstone was recently the scene of a very pretty wedding, the first ever solemnized there, when Linda Doreen Andrews, daughter of Mr. and Mrs. Hubert Andrews, 12th Line, became the bride

of Harvey Robert Martin, son of Mr. and Mrs. J. Martin, Marmora. The ceremony was performed by Mr. Simon Brownson, before a flower bedecked altar. Mrs. Simon Brownson was the pianist and played suitable wedding music before the ceremony and accompanied the soloist, Bill Andrews, of Toronto, brother of the bride. He sang "Bless This House" before the ceremony and "A Marriage Hymn" during the signing of the register.

The bride, given in marriage by her father, was lovely in a white corded silk gown, with bell-shaped skirt, floor-length, on very plain lines and caught at the back with a bow of the same material. Her veil was two-tiered net, elbow-length and she wore a single strand of pearls. Her bouquet was of pink roses and she carried a white Bible. Her bridesmaid, Miss Beverley Maxwell, of Sine, was gowned in pink nylon organza over taffeta, with bell-shaped skirt and matching pink satin shoes. Her headdress was of pink veiling held in place by apple blossoms and she carried pink mums.

The bridegroom was supported by his brother, Mr. Irvine Martin and the ushers were brothers of the bride couple, Jim Andrews and Garry Martin.

Pictures of the wedding were taken by a photographer from Belleville, as well as numerous amateurs with cameras.

The guests, numbering around 60, were received at the home of the bride's parents, 12th Line, by the mother of the bride, gowned in flowered blue silk with a corsage of pink roses and white accessories. She was assisted by the groom's mother, dressed in green brocade with beige accessories and a corsage of yellow roses.

For their wedding trip to points in Eastern Canada, the bride chose a suit of blue soule, with pink accessories.

On their return home, they will reside in Belleville.

Before her marriage, the bride was entertained at a shower in Belleville, given by her girl friends there, and Geraldine and Joan McFaul also entertained at a miscellaneous shower in her honour in her home community.

THE BIBLE TODAY

THE BIBLE TODAY

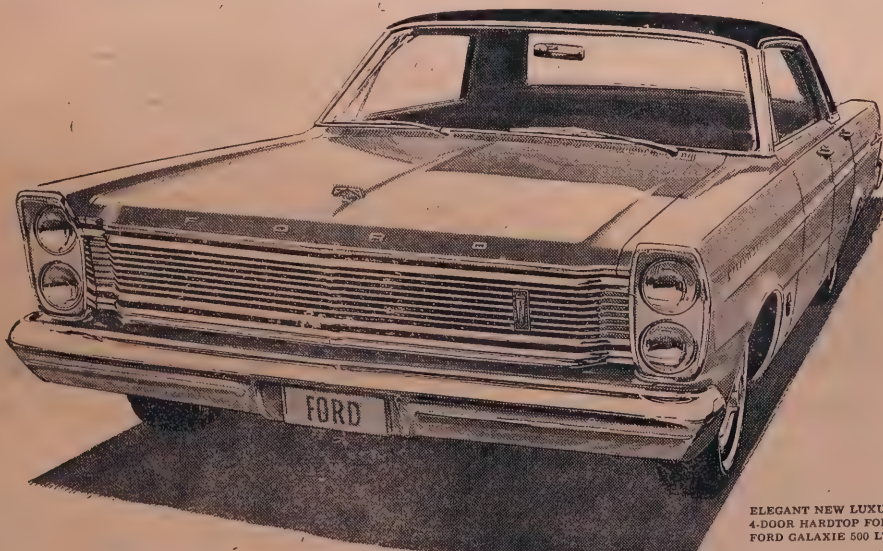

Prayers for the use of the Bible and for the work of the Bible Societies in the world are being encouraged, states a Bible Society official. Samples of such prayers have been issued recently.

"Eternal God, Who hast inspired all Scriptures, enable us to read them profitably for doctrine, for reproof, for correction, for instruction in righteousness; that as people of God we may be perfect, thoroughly furnished unto all good works. Through Jesus Christ our Lord. Amen."

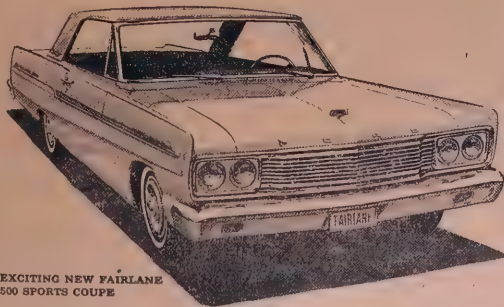

"O Thou Who art the God of the living, and Who dost speak today through The Holy Word, grant that all who read the Scriptures may hear Thy voice calling them to repentance and offering them pardon, and may come to know Him who is the Living Bread, and Who can sustain and strengthen them to be Thy faithful servants unto life's end. Through Jesus Christ our Lord. Amen."

"O God, Whose Blessed Son Jesus Christ is the True and Living Word, pour out, we beseech Thee, Thy blessing upon the new campaign, "God's Word in this New Age". Grant that the spirit of this age may be overcome by the Spirit of the Ages, so that the Word of God may have free course and be glorified, through Jesus Christ our Lord. Amen."

"Look at this expense account!" roared the sales manager. "How is it humanly possible for you to spend eleven dollars for meals in one day?" "It's easy," answered the salesman. "Skip breakfast."

Entered Into Rest

MRS. JAMES STEPHEN BARRON

In failing health for the past week, Mrs. Mary Ann Barron, of Stirling, died at the Belleville General Hospital on Saturday. She was in her 84th year.

Born in Scotland, she was the daughter of the late Mr. and Mrs. John McGregor. She has lived in the Stirling community for the past 38 years and previous to that in Scotland.

She was a member of Bethel United Church.

Surviving are a daughter, Mrs. Ira (Mona) David, of R.R. 3, Stirling, and two sons, Jack, of Westbrook, and James, of R.R. 1, Stirling.

Also surviving are a sister, Mrs. Jessie Toman, of Aberdeen, Scotland, 19 grandchildren and 15 great grandchildren. She was predeceased in 1963 by her husband, the late James Stephen Barron and a son, Roy.

The funeral was held at the Duffin Funeral Home, Stirling, on Tuesday afternoon. Rev. W. G. Fletcher officiated.

Interment Bethel Cemetery.

Harold Skillicorn Dies In Hospital

In failing health for the past six months, Harold Richard Skillicorn, of R.R. 1, Ameliasburg, died in the Belleville General Hospital late Thursday evening. He was born on the Isle of Man and had been a resident of Ameliasburg for the past 16 years. He formerly resided in Stirling.

Mr. Skillicorn was a valued member of the International Hardware Company for the past 18 years. He was a veteran of the Second World War, serving with the Hasty Pies in all three theatres of war. He was a member of the Royal Canadian Legion, Branch No. 99.

Mr. Skillicorn enlisted with the Hasty Pies in 1939 at Madoc, served overseas and after discharge enlisted in the Veterans' Guard at Kingston and served at Fort Henry. At the conclusion of the war, he enlisted in the Hasty Pies militia unit and served as a sergeant until 1956. He was a past president of the sergeants' mess.

He is survived by his wife, the former Ada Scottfield, two sons, John Wilfred Skillicorn, of Port Credit, Royal Harold Skillicorn, of the RCAF in Germany, and one daughter, Miss Pamela Skillicorn, of London, Ont. Also surviving are three grandchildren.

The funeral was held Saturday from the John R. Bush Funeral Home where service in the chapel was conducted by Archdeacon A. S. McConnell. Interment was in Belleville Cemetery.

The pallbearers, members of the Hastings and Prince Edward Regiment, were H. L. Kokesh, A. H. Carswell, F. B. Butler, R. K. Wigmore, C. A. Rutan and W. C. Ouderkerk.

Mrs. Phillip Carr Dies At Marmora

Following a lengthy illness, Ada Helena Carr, widow of Phillip Carr, passed away September 18th at the home of her daughter, Mrs. Leslie McKeown, Marmora, in her 79th year.

Born in Rawdon Township, she was the daughter of Samuel Stapley and his wife, Sarah Tufts. She received her education in Sidney Township Schools. Prior to going to Marmora to reside, she lived on the Ridge Road, R.R. 2, Stirling, for many years. She was an adherent of the Pentecostal Church, Marmora, and was a life member of West Huntingdon United Church Woman's Missionary Society.

Surviving are three daughters, Mrs.

Adam (Iola) Brummel, R.R. 7, Belleville; Mrs. Ellick (Pearl) Brummel, Peterboro; Mrs. Leslie (Leah) McKeown, Marmora; one son, Elvin Carr, of Stirling. She is also survived by one sister, Mrs. Annie Terwilliger, Picton, and three brothers, Frank, Nelson and Oliver, all of the Stirling district. Eleven grandchildren and 4 great grandchildren also survive.

She was predeceased by her husband, Phillip Carr, in 1962; two brothers and two sisters.

The funeral was held on Sunday afternoon, September 20th, from the Howden Funeral Home, Marmora, to the Pentecostal Church, Rev. Dawson conducted the service.

The pallbearers were all nephews of the deceased: Messrs. Douglas Stapley, Bruce Stapley, Harold Stapley, Sam Stapley, Grant Stapley and Forde Stapley.

Interment West Huntingdon Cemetery.

Fall Meeting Unit One UCW

Following a two-month summer recess, the members of Unit 1 of U.C.W. reconvened last week for the first meeting of the Fall term. In the absence of the leader, Mrs. Roy Tucker presided and welcomed the members and visitors.

The theme for worship was "Being

a good neighbour". Mrs. J. Irish opened the devotions with an inspirational poem and prayer and Mrs. R. Hewton read the Bible story about the Good Samaritan and Mrs. Irish gave a short biographical sketch of Jane Adams, who was truly a good Samaritan in her job as social worker. This portion of the programme was concluded with prayer by Mrs. John Svoboda.

Guest speaker for the evening was the Rev. P. J. Hommerson, who introduced the new study for adults based on the book, "God and His Purpose", or a sub-title might be — "The Meaning of Life".

Life does not leave anyone alone. It is everybody's business, and at one time or another most of us find cause to ask the question, "What am I living for?". We all desire a fullness of life, and we cannot attain this without having some worthwhile purpose outside ourselves. God must be put in all of life, for as surely as we put God out of life, Godlessness enters in. The Bible is not just meant to be a symbol, but should be a daily guide for us. The stories and incidents therein seek to illuminate the purpose of life. God's purpose was not to create us perfect but to leave room for growth — physical, mental, spiritual and to always continue to grow in grace.

Mrs. Tucker thanked the speaker for his interesting introduction of the study.

Mrs. A. Wells spoke of the new Missionary theme, using maps, posters and travel guides of Trinidad, and gave a few pertinent facts about the country and its people.

The evening's business was conducted by the assistant leader and Mrs. H. Johnson received the offerings. The Unit's part in the forthcoming bazaar was discussed and the social committee, under Mrs. D. Donohoe,

served a tasty lunch.

Mrs. M. Preston thanked the guest speaker, the programme and lunch committees, for all their contributions to the evening's successful outcome and members adjourned.

Eggleton UCW

The September meeting of the Eggleton United Church Women was held at the home of Mrs. William McMullen, with eleven adults present.

The president, Mrs. Harlow, opened the meeting by reading a poem, followed by a hymn, with Mrs. Russell-Stapley playing the accompaniment on her portable chord organ.

The October meeting will be held at Mrs. Harlow's on October 5th, with Mrs. C. Fitchett to prepare the Worship Service.

Mrs. Bruce Stapley reported on cards sent out, also five calls made. The secretary read two "thank you" letters received from Mrs. Carl Reid and Mrs. R. Stapley. Supply secretary, Mrs. F. Stapley,

reported that a blanket had been purchased. Several members handed in bars of soap.

Mrs. Fordo Stapley presided over the program, which she and Mrs. Seaborn Prest had prepared.

Devotional period was conducted by Mrs. William McMullen, who read the selected Scripture lesson. Mrs. Bruce Stapley read the commentary and Mrs. S. Prest gave the closing prayer.

Mrs. M. Clancy rendered a vocal solo, playing her own accompaniment on guitar. Readings were given by Mrs. Murney Kirkey and Mrs. Fordo Stapley.

Mrs. Russell-Stapley contributed a vocal solo and a musical number on her electric organ.

Mrs. F. Stapley thanked all who had taken part on the program and spoke a few words of welcome to the two visitors present.

The meeting closed by repeating in unison the U.C.W. Benediction, after which the hostess served a delicious lunch.

Greatest traffic menace on the highways is the slowpoke driver.

Select Committee On Mining To Tour District

Mr. Clarke Rollins, M.P.P. (Hastings), has announced that the Select Committee on Mining will hold public hearings and tour the Bancroft, Madoc and Marmora areas on October 15th and 16th.

The Mining Committee was set up to find ways and means of improving the mining industry in Ontario. Anyone wishing to appear before the Committee is free to do so.

Final plans as to the time and place the meetings will be held are being made by Mr. Rollins.

St. Mark's W.A.

The first meeting of St. Mark's W.A. after the summer recess, opened with a pot luck dinner at the cottage of Mrs. Burton Woodbeck, Oak Lake. Mrs. Noble, the deanery secretary and Rev. and Mrs. Secker, of St. Luke's Church, Kingston, were present. Mrs. Secker is vice-president

of the diocesan board and secretary of the Thankoffering committee and on this occasion was the guest speaker. Mr. Stewart conducted the opening exercises and led in meditation. The roll call was: "A miracle recorded in the Acts of the Apostles".

Social service, Dorcas and treasurer's reports were next in order. Finances were found to be in a healthy condition and prospects for a season remained in the future as donations of the T. Eaton Co. and Simpsons-Sears. A card was sent to Mr. and Mrs. Heath on the occasion of their 56th anniversary. Mr. Stewart announced the thanksgiving service to be 9:45 a.m. on September 27th.

Mrs. Noble announced the annual deanery meeting of the W.A. will be held October 20th, at Trenton. She also gave a few of the do's and don'ts of W.A. work. The first board meeting is to be held in Brockville, with the Bishop of Uganda as the guest speaker. The diocesan board requests a treasurer's report from each branch.

Mrs. Barlow gave a reading found among the papers of the late Mrs. Jason Baker, dated 1925, "I Know Something Good About You".

Mrs. Secker gave a splendid address, using as her theme, "Do It Now". This saying is well-known in advertising and local improvement talks and to boost employment during winter months, but it is equally, if not more effective in its use in social, charitable and children's work.

Procrastination is deadly and is a common fault in most people's lives. The sick, the shut-ins and strangers should be visited — "do it now". Opportunities re the teaching and training of young people should not be neglected — "do it now". The importance of meditation and prayer for everyone was stressed.

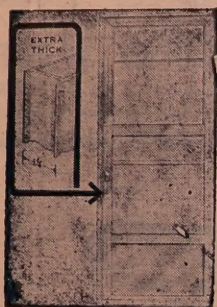

It is very easy to lose the interest of young people through procrastination. It is far better to take a child into the church organizations too young than to let them get interested elsewhere and, in all probability, not get their interest again — "Do it now".

After this lovely and impressive talk, Mrs. Woodbeck served tea and cake and the meeting closed with the benediction by Rev. Stewart.

Standard equipment: a bank loan

It has become almost standard practice today for people to go to their bank to finance the purchase of cars and other family items. You, too, may have found it a good idea to borrow where you save — at your local bank. It is often simpler, because the bank already knows you as a savings customer. And it also may save you money because bank loans are low-cost loans. For borrowing and saving, and for any other bank service you may need, just visit your local chartered bank. It's the one place where you can get all your banking done, under one roof.

Plainfield Defeats All-Stars

Plainfield defeated the S & D All-Stars, 21-8, at the local diamond on Thursday last. Unlike Plainfield, the All-Stars lacked the team spirit and failed to hit as they had in previous engagements.

This was the final game of the season for the All-Stars and they used their bench strength to make a comeback.

Marjorie Reid pitched for Plainfield with Bonnie Visser starting for the All-Stars. Linda Bateman took over in the fourth with a 6-2 deficit.

Bob Smith (2), Gary Ray, Doug Green and Don Reid hit homers for the victors. Bob Taylor had a solo blast for the locals in the eighth for the locals.

The S & D Young People held a hay ride and wiener roast to conclude the current season on Saturday night, September 10th. The Young People are greatly indebted to Chas. Stapley, Halloway, who drove without acceptance of payment.

Rylstone UCW

Mrs. Bob Spencer was hostess to the United Church Women of Rylstone Church. There was a good attendance of sixteen ladies and some pre-school children. The opening hymn was, "From All That Dwell Below the Skies", followed by the Lord's Prayer. Mrs. Wilfred Spencer conducted the Devotional part, assisted by Mrs. Ray Stewart, who read a portion from the 1st chapter of Genesis, and by Mrs. Sanford Meiklejohn, who read from 1st Thessalonians, chapter three. All repeated the Apostle's Creed. The hymn, "We Give Thee But Thine Own", was sung and Mrs. Ross Dickie conducted the Bible Study on "Prayer", with an assist from Mrs. Jack Spencer. The roll call was answered by a Scripture verse containing the word "labour", and ended with a short prayer.

A social committee was chosen consisting of Mrs. Clarence Thomson, Mrs. Austin Dunk and Mrs. Ray Stewart, who will plan something special, probably a rummage sale and bake table for the next meeting to be held at the home of Mrs. Jack Spencer.

The birthday bank was passed to which some ladies contributed.

Mrs. Bob Spencer convened the balance of the meeting: reading, "Over and Over Again", Mrs. Bob Spencer; reading, "A Living Faith", Mrs. Cecil Finch; sacred music at the piano, Mrs. Ellis Jones; "Someone To Tell" Mrs. Alan Williams.

The Mizpah Benediction brought the meeting to a close and refreshments were served by the hostess and her committee.

Programme committee for the October meeting will be Mrs. Cecil Finch, Mrs. Alan Williams and Mrs. Fred McKeown. The refreshment committee will be Mrs. Lloyd Anderson, Mrs. Wilfred Spencer and Mrs. Ray Stewart. Key word for roll call is "Saint".

Chatterton W.I. Hear Talk On Ireland

The September meeting of Chatterton W.I. was held at the home of Mrs. Ben Blecker with a good attendance.

The president, Mrs. Carson, opened the meeting with a reading, followed by the Opening Ode and Mary Stewart Collect. Roll call, "I'll tell a joke, sing, recite or do a trick", was well responded to.

Mrs. Berson Mitts was in charge of the following programme: reading, "Need of Loving", by Mrs. Mitts; singing of a few old favourites; reading, "Late Summer", by Mrs. Lorne Reid. Mrs. Mitts and Mrs. Harold Reid read a dialogue, with the former as Don Defore, better known as Mr. "B" on the Hazel TV programme, and the latter as his daughter, Penny. Mr. Defore was expressing his feelings, as a parent, in view of his daughter wanting to go to Korea at the young age of 17, to help underprivileged children. Penny, with great determination, worked hard and saved her money and went to Korea for two months during the winter. She tells of the ill-fed children, poor housing and the poor conditions they lived in. She herself did what she could, but returned home and told of the needs of the people. Penny now is training for a nurse and hopes to return some day.

Mrs. Mitts introduced the guest speaker, Mrs. Herrington, the district president. She spoke on Ireland, as the A.C.W.W. Conference will be held there in September, 1965.

The Irish Women's Association is much like the Women's Institute. They strive for the same goals and have the same motto, "For Home and Country". The Department of Agriculture provides funds and train leaders to teach crafts, horticulture and stock raising.

Ireland is an island about 100 miles

wide and 300 miles long, with rich, rolling ground in some areas and stone and brown bogs in other areas. The chief industry is agriculture with the average farm being about 30 to 40 acres in size. Cattle, horses, pigs and chickens are the main livestock. Farming is difficult in the poorer sections but the whole family works together and the women do their own sewing and knitting and preserving and manage to make a living.

Today, with the help of the Department of Agriculture, the turf bogs and waste land are being brought back into production. The island is very attractive for tourists with its many lakes, old castles and quaint country side.

Mrs. Herrington was thanked for her talk and was presented with a gift by Mrs. Dixon.

Mrs. David Little favoured with a solo, followed by the singing of the Queen and the Institute Grace. A delightful lunch was served and a social half hour spent.

The next meeting will be at the church when the group will entertain neighbouring W.I.'s.

Iron ore in the Lake Ontario Region is produced solely by the Marquette Mining Company, which employs 350 persons.

United Nations

(Continued from Page One)

Tour 25 took part in a wreath-laying ceremony, and we were able to enter a private enclosure before the grave itself. When our bouquet of white gladioli wilted, the dedicating ribbon will be cut and fastened into a book which will be kept at the Kennedy Memorial Library. We were very moved to be standing near the body of one of democracy's most vigorous torch-bearers, and each one of us experienced again a moment of sadness at the crime which snuffed out his life.

The list of places we visited afterwards is very formidable, and includes the Lincoln Memorial, the National Archives, the Library of Congress, the Jefferson Memorial, and the Tomb of the Unknown Soldier. The American people are very conscious of their glorious past, and no expense is spared to provide each of their heroes with a fitting memorial.

The Lincoln and Jefferson Memorials are lovely marble temples, dedicated to these past Presidents. The Washington Memorial is a 35-storey obelisk, standing at the end of a long reflecting pool. History seems to be written everywhere in the form of glorious memorials which preserve

forever the reverence of great Americans.

On our second day in the American Capital, we visited the Capitol, where Kennedy's coffin had lain, and we listened in on a Senate meeting; we visited the White House, the Bureau of Printing and Engraving where American dollars are made; we visited the Peace Corps and Dept. of State Buildings, the F.B.I., and the Canadian Embassy. The whole American scene was unrolled before us during our short stay in the District of Columbia.

To complete our study of America, we travelled through the battlefield at Gettysburg and walked through the major combat areas. Our bus drove right through the fields, and we were able to see the defences made by the soldiers during the Civil War. Gettysburg is the best preserved battlefield in the world, and every point of interest has been marked carefully. One can find the exact spot where the opposing lines met, fought, and where the leaders met their deaths. Every regiment that took part in the battle there has erected a memorial upon the spot it defended. Another memorial has been placed on the exact spot from which Lincoln delivered his now famous Gettysburg Address, and the words of this speech have been en-

graved in bronze at its base.

By this time, our trip was fast nearing its end, and it wasn't long before we had crossed into Canada via the Peace Bridge. Our last sight-seeing tour was made, to Niagara Falls, and our bus rolled on towards Toronto, and home. The time seemed too short before we reached the IOOF Temple in Toronto and we were getting off the bus for the last time to make our farewells. For most of us, "a bientot", for everyone began to plan the reunion we would have this Christmas. We parted with the joy of having formed 23 fast friends in centres across our province.

I cannot find words to express to the IOOF and Rebekah Lodges in Stirling, Campbellford, Madoc, Thom- asburg, Tweed and Springbrook, my hearty thanks. I consider myself very privileged to have been chosen as their delegate to the United Nations, and I welcome the responsibilities this pilgrimage offers. To them, also, I bid a warm "a bientot", for I will soon be visiting every Lodge personally to relay my adventures and spread the message of the United Nations. I hope I shall have the opportunity to speak to all my friends here in Stirling, too, and I will be glad to continue my tale to any interested listener!

local bowling lanes. Manager Ray Poste again has the alleys in A-1 shape.

Manager Don Dean, of the Stirling Elaines hockey team, local entrants in the T.V.L. has started the ball rolling for the oncoming season. He announced that Glen Hagerman will be wearing the Stirling colours this winter after winding up his Junior "B" career in Belleville last Spring.

In Hospital

Friends of Mrs. Floyd Bartlett will regret to learn that she is a patient in Belleville General Hospital. She was admitted on Saturday night last.

At Fire College

Ron Woodbeck and Doug, Robson, members of the Stirling Volunteer Fire Department, left on Sunday to attend a week's course at the Fire College at Gravenhurst. During the week they will be instructed in fire fighting methods and other aspects of fire prevention.

95th Anniversary

(Continued from page one)

example of giving and doing when Zachariah was a true shepherd of God and did put his part to action, teaching God's message. He had two staffs called Grace and Union. The people didn't appreciate God's message as taught by Zachariah. He was angered, broke both staffs, breaking covenant he'd made with his people. He asked for wages for his work, receiving only 30 pieces of silver. God told him to put it back in their treasury as this was but an insult to a servant of God.

The true values that should mean most to us are (1) Value of God's

word in the Bible; this being so great that it cannot be valued. Under this heading, Rev. Joblin mentioned the new curriculum being a good thing because it had forced people to think and talk. The spirit of Christian love gives one something to think and talk about. (2) Value of God's Church which again has too great a value to be quoted. The Church is one of the great things of God, a gift of God to us. (3) Value of Individuals attending Church. God cares for everyone, everywhere. His love is ceaseless. He came for us, was rejected and nailed to the Cross.

Rev. Joblin compared his listeners to the story of a boy whittling out a little boat, putting it on a string to float downstream, losing it, later finding it in a second hand store and buying it back so that he would own it again. He had made it and bought it. In the same sense God has made us and bought us, because he paid the price on the Cross; and expects us to advance His Kingdom on earth. It is our duty to carry it out.

Evening Service

For the evening service, Mrs. Watson chose "Now The Day Is Over", Barnby, and "Bless This House, for the prelude; "Melody in G", Stickles, for the offertory and "March in F", Stickles, for the postlude.

Rev. Fletcher again assisted with the service, reading the Bible lesson, Genesis 2: 15-24, and Luke 12: 13-21. The General Thanksgiving Selection was read in unison.

The evening hymns were: "Come Let Us Sing of a Wonderful Love", "I Need Thee Every Hour" and "Jesus Invited By Thy Grace". The choir rendered two anthems: "I Came To Thee", Lorenz, and "The Lord Shall Lead", Norman, with Miss Mary Dracup taking the solo part.

For the evening message, Rev. Joblin chose to speak on, "The Church and the Changing Family" — a continuation of the morning sermon. He spoke of the lasting sense of values in terms of the family. There have been major changes in family life in the last 25 years. Society has had a big effect on families which affects the Church. There is no more private life. In ways, Communism is creeping into our ways — not as organized clanking as in Russia, but through sheer neglect. There are fast changes today having great effects on families.

The role of father in these changes

Over The Years . . .

We've used many words — in our advertising — to tell you about our merchandise. Some keep coming back again and again such as:

"SUITABLE GIFTS FOR EVERY OCCASION"

"APPROPRIATE GIFTS FOR BIRTHDAYS OR WEDDINGS"

"GIFTS THAT PLEASE"

"CORN FLOWER FOR A LIFETIME"

"BEADS AND EARRINGS IN ATTRACTIVE FALL SHADES"

These are just a few of our phrases, but we do not have to apologize for our "corn" because our suggestions have been tried and found true by thousands of our customers

was stressed. Men today, are confused about their family role. They must develop a true sense of fatherhood. Even though they might find it hard to talk out right things to their families, they should live a good example, be men of God and live loyal to their Church and God.

The role of motherhood has changed with the times. Rev. Joblin referred to the Book of Genesis and the two Creations, first the creation of nature things and living creatures, secondly the creation of man and woman. Woman was made to be a helpmate to man and should always remain so. The modern woman has more time to do valuable things than

ever before and should use her time valuably.

Marriages should be built on foundations ordained by God. There is too much emptiness in the home which should be filled with true Christianity.

The young people of today are confused with the performance of their elders. These young people respond more quickly and respect discipline in its right place, more readily than ever before and their problem is trying to find expression of idealism. Their biggest need is to have a living faith in Jesus Christ within themselves. To do this, faith in their home must be effective.
